Notice

Everport Terminal Services (ETS) at the Port of Los Angeles invites the submittal of proposals to build and deliver up to 137 zero-emission, battery-electric yard tractors, warranties for these 137 pieces of equipment, training, and optional supplies for equipment maintenance.

Instructions and forms to be used in preparing the proposal are found within the Request for Proposals (RFP). The RFP, supporting documents, including addenda and responses to questions when issued, are available here: https://vendors.planetbids.com/portal/83809/bo/bo-search. Proposals must be submitted electronically via the PlanetBids portal.
