Work Statement

Portable Toilet Services for Acadia National Park

Scope of Work

This Statement of Work (SOW) outlines the requirements for a vendor to provide portable toilet services at Acadia National Park. The vendor will supply, install, maintain, and service portable toilet units at two designated locations: the summit of Cadillac Mountain and Sand Beach.

Requirements

- **Cadillac Mountain Summit:** Supply and install 10 portable toilet units. Two of the ten units must be universally accessible and compliant with accessibility guidelines.
- **Sand Beach:** Supply and install 16 portable toilet units. Four of the sixteen units must be universally accessible and compliant with accessibility guidelines.

Service and Maintenance

The vendor shall perform pumping and cleaning services for all units at both locations twice per week. All waste must be removed in accordance with local, state, and federal regulations. Units must be pumped, cleaned, sanitized, and restocked with necessary supplies during each service visit.

Contract Period

The contract will commence upon award and continue through October 31, 2026. Any changes to the schedule or quantity of units must be approved in writing by the contracting officer.

Vendor Responsibilities

- Ensure timely delivery and installation of all units.
- Perform pumping and cleaning twice per week in a manner that minimizes disruption to park visitors.
- Maintain the units in good working order and promptly address any issues or complaints reported by the contracting officer's representative.
- Provide all necessary labor, equipment, and supplies for the services described.
- The park will work with the contractor to determine the location and placement of the units.

Contact Information

Questions or concerns regarding this Statement of Work should be directed to Keith Johnston, Chief of Facility Operations and Maintenance.
