This map product was developed for official federal government business purposes and was not reviewed for compliance with National Map Accuracy Standards nor the FGDC Geospatial Positioning Accuracy Standards. The geodetic accuracy and precision of the basemap data contained in this map was developed photogrammetrically to horizontal and vertical accuracies of +/- 5.0 cm (0.16 foot) in conformance with the American Society of Photogrammetry and Remote Sensing (ASPRS) Positional Accuracy Standards for Digital Geospatial Data, Edition 1, Version 1.0, November, 2014.

This map product has not been developed nor verified by a professional licensed land surveyor and shall not be nor is intended to be used in matters requiring cadastral delineation and/or location or true ground horizontal and/or vertical controls.
Some subject points, lines and areas may be approximate.
