RFI Batch # 4—MFR—Pending Amendment 000X

1. Could you please confirm whether the parka requires a lining on the interior of the shell? If so, will the lining material be included in the Government-Furnished Materials package?

Answer: To all, the parka does not require a lining

2. Are there any specific packaging, packing, or shipping requirements for production quantities beyond the requirement of seven (7) parkas per box, such as carton dimensions, palletization standards, or other shipment requirements?

Answer: Only requirement for packaging is seven (7) parkas per box.
