United States Department of the Interior
UNITED STATES WILDLAND FIRE SERVICE

NIFC 300 – JWH Suites 222 & 227 Renovation
140L3726B0001 | Sources Sought Notice

Purpose: This is a Sources Sought Notice for the purpose of conducting market research, to gain knowledge regarding the type of interested businesses and their qualifications. Responses are being requested from both large and small businesses. Proposals are **NOT** being requested, nor accepted at this time. The United States Wildland Fire Service (USWFS) will use information obtained through this notice to develop an acquisition strategy.

The government anticipates conducting a competitive acquisition for this requirement. The amount of interest or lack thereof will determine the possibility of a small business or other socio-economic small business set-aside for the solicitation. Quality of responses received will be considered when making any small business set-aside determinations for this requirement.

Not responding to this announcement does not preclude participation in any future solicitation. If a solicitation is released, it will be synopsized on SAM.gov. It is the responsibility of the potential offerors to monitor the site for additional information pertaining to this requirement.

Cost Reimbursement: Response to this announcement is strictly voluntary. No reimbursement will be made for any costs associated with providing information in response to this notice or any follow-up information requests.

Project Description: The United States Wildland Fire Service (USWFS) has a construction requirement which consists of all labor, materials, equipment, permits, and supervision to renovate two office suites located on the upper level of 300-Jack Wilson Headquarters (JWH) by creating a single larger suite and associated office, meeting spaces, and break room. The 300-JWH building is located at the National Interagency Fire Center

The location of the project is the National Interagency Fire Center (NIFC), 3833 S. Development Ave, Boise, ID 83705.

Anticipated Period of Performance: 180 calendar days after issuance of the notice to proceed.

North American Industry Classification System (NAICS) code: 236220 | Commercial and Institutional Building Construction

Small Business Size Standard: $45 Million.

Solicitation: The USWFS anticipates issuing a request for bid in Summer of 2026.

Bonding: The USWFS anticipates that bid, performance, and payment bonds will be required.

Submission/Response Contents: Interested parties are encouraged to respond to this Sources Sought announcement by copying and pasting the link below into a web browser; then fill out the associated Microsoft form.
