QUESTIONS AND ANSWERS – 70FA4026Q00000014

1. Does delivery include assembly, setup, and testing? Delivery will need to include assembly, set-up, and testing.

2. Do you need an authorized letter from Brewer or another OEM upon acceptance? Besides the warranty. We don't need an authorized letter from Brewer, just the warranty.

3. Does FEMA require prior experience furnishing medical equipment, or will general commercial delivery experience suffice? General commercial delivery experience will suffice.

4. Are you requiring a specific brand and Part number for Examination Table? We designed the space to ensure it fits the Brewer brand table with the pneumatic back and electrical outlet model (model 5000). No additional parts are needed. This model also fits all the specifications and safety features needed.

5. Would an equivalent table meeting the general functional requirements be acceptable, or are the specific listed dimensions firm requirements for award? **Section 2.1.2 of the SOW is updated to read: Exam Table with pneumatic back and electrical outlet (Same or EQUIVALENT to Brewer Access Exam Table (Gunmetal) SKU 5000 02.**
