ADDENDUM NO. 3

REQUEST FOR QUALIFICATIONS (RFQ) NOTICE NUMBER 05-0H33CM

HIGHWAY 101: SOUTH OF SALINAS CORRIDOR IMPROVEMENT

FOR DESIGN AND CONSTRUCTION ON STATE HIGHWAY IN  
MONTEREY COUNTY ON US ROUTE 101

FROM MAIN STREET OVERCROSSING IN THE TOWN OF CHUALAR TO 0.56 MILE  
SOUTH OF AIRPORT BLVD OVERCROSSING IN THE CITY OF SALINAS

The purpose of this Addendum is for the Department to provide responses and/or clarification for the following concerns:

**Question 1:**

My question for you is simply whether the design of this project is being completed by Caltrans or if it is being put out to consultants? Also, if the design is to be completed by consultants will it be advertised by Caltrans, the Association of Monterey Bay Area Governments (AMBAG), or the Transportation Agency of Monterey County (TAMC)?

**Department Response:**

Caltrans currently does not have a consultant and is not planning on pursuing a consultant.

**Question 2:**

The interview, currently scheduled for October 8<sup>th</sup>, falls during the same week as the Association of General Contractors (AGC) annual meeting in Southern California. I believe all proposers are AGC members and participate in AGC's annual meeting. Would Caltrans please consider moving the interview date to one week earlier? This would enable Caltrans to maintain schedule while still providing a week notice after the shortlist has been published.

**Department's Response:**

We have revised the following dates in the RFQ (Section 2 Procurement schedule):

Notice of short list: **revised to September 28, 2026**

Proposer interviews: **revised to October 14, 2026**

ERC Concurrence: October 15, 2026

Notice of Final Ranking: October 22, 2026

Anticipated Award of PSC: November 12, 2026

Anticipated Notice to Proceed: January 20, 2027

Unless through an Addendum, all other terms and conditions of the original RFQ Notice dated May 18, 2026 are unchanged.

Please contact Alma Cortez at [alma.cortez@dot.ca.gov](mailto:alma.cortez@dot.ca.gov) for questions concerning this addendum.
