People
Our People are the reason we win. We will recruit, educate, and train a winning team.
Win
We will "Win" every time, every place, in any environment. Alongside the Services, our U.S. Government Interagency, and Allies/Partners.
Transform
Trail-blaze, and lead, for DoD and the Nation. Meet current and future challenges by transforming our people, organizations, and technology.

USTRANSCOM DELIVERS AN IMMEDIATE FORCE TONIGHT AND A DECISIVE FORCE WHEN NEEDED
Military Surface Deployment and Distribution Command
Our U.S. Army component integrates and synchronizes surface deployment and distribution capabilities to deliver and sustain the armed forces in support of the nation's objectives.
Military Sealift Command
Our U.S. Navy component provides on-time logistics, strategic sealift, and specialized mission support anywhere in the world, under any condition, 24/7, 365 days a year.
Air Mobility Command
Our U.S. Air Force component provides responsive and flexible airlift, air refueling, aeromedical evacuation and air mobility support to meet joint force mission and sustainment requirements.
Joint Transportation Reserve Unit
Our reserve unit provides trained, ready Reserve Component Forces in support of the USTRANSCOM mission.
Joint Enabling Capabilities Command
Our subordinate command provides mission-tailored, joint capability packages to Combatant Commanders.
Commercial Transportation Service Providers
Our partnership with industry leverages a global enterprise of logistics expertise and commercial partners who contribute to land transport, air movement and global sealift.
