Past Performance Template

The vendor shall provide Government or commercial past performance references for no more than five (5) recent and relevant past performance experiences to encompass each apparatus type.

"Recent" is defined as work performed that is ongoing or has been completed within the past five (5) years, from the issuance of date of the RFQ.

"Relevant" is defined as work that is similar in size, scope, and complexity to the units specified in Attachment 1.

Reference 1
