Special Notice

DESCRIPTION

Under Statutory Authority 41 U.S.C. 1901 the VA Great Lakes Acquisition Center (GLAC) intends to negotiate a single source contract with NCH Corporation (ChemSearch FE). The Contractor shall provide all material, supplies, equipment, and qualified personnel to provide preventative maintenance and chemical additives for the NCH Corporation Bio-Amp system. The Bio-Amp system uses Free Flow biological treatment processes which are proprietary to NCH Corporation ChemSearch.

This acquisition is conducted under the authority of 41 U.S.C. 1901 Simplified acquisition procedures as implemented in FAR 13.106-3(b)(3)(i), only one responsible source and no other supplies or services will satisfy agency requirements. This will be a firm fixed price contract for a base plus (4) four option year contract. The NAICS Code is 562998.

This Notice of Intent is not a request for competitive quotes. No solicitation documents are available, and telephone requests will not be honored. However, if a firm believes it can meet the requirements it must furnish information about its products and services, as well as references from other customers who are using these products and services to the Contracting Officer by 9:00AM (CST) 7/2/2026 via email. Supporting evidence must be furnished in sufficient detail to demonstrate the ability to comply with the above requirements. Responses received will be evaluated, however, a determination by the Government not to compete the proposed procurement based upon responses to this notice is solely within the discretion of the Government. If no responses are received, the Contracting Officer will proceed with the single source negotiation with NCH Corporation ChemSearch.

Capability statements shall be submitted by email only as a MS Word or Adobe PDF attachment to Contracting Officer Dustin Biermann at Dustin.Biermann@va.gov. TELEPHONIC INQUIRIES WILL NOT BE ACCEPTED.
