The use of the authority at 10 U.S.C. 3204(a)(1) is based on:

[X] AMC 3. Acquire, for the second or subsequent time, directly from the manufacturer.

The following AMSC descriptions are-available in DFARS PGI 217.7506 Part 2.

[X] *AMSC D.* The data needed to acquire this part competitively is not physically available, it cannot be obtained economically, nor is it possible to draft adequate specifications or any other adequate, economical description of the material for a competitive solicitation. AMCS 3, 4, or 5 are valid.

On 11/26/2025, the Product Specialist of record certified the accuracy of the approved source(s) and applicable AMC/AMSC codes. A copy of the certification is attached.

6. The following efforts are being taken to ensure that offers are solicited from as many sources as practicable:
[X] The acquisition will be synopsized on or about 1/15/2026 for a period of 4 days.
[X] Dealers of the approved source(s) will be solicited.
[X] The solicitation will be posted to the DLA Internet Bid Board System for a minimum of 20 days.

7. I hereby determine that the anticipated cost to the Government will be fair and reasonable.

A price analysis will be conducted based on a comparison of proposed prices received in response to the solicitation and/or a comparison of proposed prices to historical prices paid. Certified cost or pricing data, when required by FAR 15.403-4, and data other than certified cost or pricing data, will be requested and obtained as necessary to establish a fair and reasonable price, and a cost analysis may be performed on the data submitted.
