EN 1907
2012 Polaris Sportsman VIN: 4XAMH50A1CA347827

EN 7679
2017 Honda FourTrax VIN: 1HFTE4402H4306210

Deliverables / Schedule

The Seller shall ship and deliver the Utility Terrain Vehicle (UTV) to the Government-specified location. The Seller shall provide the Government's designated Point of Contact (POC) with a minimum of seventy-two (72) hours advance notice prior to the expected delivery date and time. The Seller shall ensure that all scheduling, coordination, and communication necessary for successful delivery is completed with the POC in advance.

Prior to picking up trade ins and delivery, the seller will coordinate with the Cor and Technical POC listed in the SOW 72 hours in advance for the UTV and arrange receiving with the POC. The POC will verify compliance with this SOW. Acceptance will occur when all systems are fully functional, specifications are met, and the equipment is delivered in new, undamaged condition.

Uniformity: Equipment shall be installed in a consistent and standardized manner.

UTV Delivery address:

- **R13 Law Enforcement Subregion 8 FLEET**
  1700 Bypass Road
  Winchester, KY 40391

Trade-in pickup address:

- **R13 Law Enforcement Subregion 8 FLEET**
