Requirement Information

Description:

The Government is soliciting quotes for a modular fluid storage and dispensing system (delivery only). The suggested brand name is Lubrisource; however, quotes for "equal" products will be evaluated and accepted provided they meet all essential physical, functional, and performance characteristics. The required system must fit within a 12’W x 9’D x 10’H footprint, operate on standard 115V power, and feature a racked or stackable design securing eight 65-gallon aluminized steel tanks (minimum capacity of 275 gallons for oil and 165 gallons for coolant). Key functional requirements include two 115V, 8 GPM self-priming gear pumps supporting dual 50 ft hose reels, 10-micron inline filtration with isolation valves, 1 ½” quick-disconnect intake ports, and color-change desiccant breathers. Furthermore, the system must incorporate robust safety and containment measures, including isolated sight gauges, drip pans, and a spill containment pallet capable of holding a minimum of 130 gallons.

Notice to Quoters: Funds are not presently available. No contract award will be made for these CLINs until funds are available. The Government reserves the right to not exercise this solicitation. In the event the Government cancels this solicitation, the Government has no obligation to reimburse a Quoter for any costs incurred in preparing their quotation.

language therein:

Simplified Acquisition Procedures will be used in accordance with (IAW) Revolutionary FAR Overhaul (RFO) 12 in awarding this contract. The Government intends to award a Firm-Fixed-Price (FFP) contract to satisfy this requirement. This requirement is being solicited as a Request for Quotation (RFQ); submission of a quote does not guarantee receipt of award.

1. All questions must be submitted to the points of contact above, as well as the Contracting Officer, **no later than 4:00 pm 06 July 2026. Questions submitted after this date may not be answered**.

2. Quotes in response to this solicitation must be submitted via email to all the points of contact above, including the Contracting Officer listed above, no later than the established deadline. **Quotes must be valid through 01 October 2026 no later than 4:00 pm**

3. All price quotations must be submitted on Attachment - Quote Sheet and must be filled in entirely.

4. This acquisition is being conducted according to Revolutionary FAR Overhaul (RFO) part 12. The terms and processes used in this acquisition are not subject to the definitions nor processes found in Revolutionary FAR Overhaul (RFO) subpart 15, even if defined or described in Revolutionary FAR Overhaul (RFO) part 15. Reference to offers, offerors, or proposals in this acquisition shall be read as quotations, vendors, quoters, or quotes. Any clerical errors in this solicitation, to include the attachments, that use the source selection nomenclature in Revolutionary FAR Overhaul (RFO) part 15 shall be read and interpreted in a manner consistent with Revolutionary FAR Overhaul (RFO) part 12. Examples of nomenclature found in Revolutionary FAR Overhaul (RFO) part 15 include: Request for Proposals (RFP), De-briefing, Discussions, Clarifications, etc. Unless otherwise defined in this solicitation, or in the specific Revolutionary FAR Overhaul (RFO) part being referenced, definitions of words retain their definition under Revolutionary FAR Overhaul (RFO) 2.101, unless no definition is provided, in which the common dictionary meaning shall be used IAW Revolutionary FAR Overhaul (RFO) 1.107(a).

5. The Government intends to make an award based on initial quotations, without conducting inquiries after submission. Therefore, it is critical that Quoters submit all required information with their initial quote. The Government reserves the right, but is not obligated, to contact a Quoter to remedy a failure to provide administrative information (e.g., product literature or photographs) or to address clerical errors. This process, if used, is not a quote revision and will not be used to allow a Quoter to change the substance of its quote.
