PROPOSALS WILL BE EVALUATED IN ACCORDANCE WITH THE PROCEDURES AS OUTLINED BELOW IN SECTION 3-110 OF THE PROCUREMENT ORDINANCE. ALL PROPOSALS WILL BE KEPT CONFIDENTIAL UNTIL AFTER AWARD.

3-110. Competitive Sealed Proposals (Negotiations)

(1) Conditions for Use

When the Purchasing Manager determines that the use of competitive sealed bidding for any procurement is either not practicable or not advantageous to the City, a contract may be entered into using the competitive sealed proposals (negotiation) method. In addition, the competitive sealed proposal process shall be used for the procurement of professional services, specialized equipment or supplies.

The competitive sealed proposal process may be used for procurements with an estimated total cost less than \$50,000.00, if deemed to be in the best interest of the City. If the total cost can be determined, the authority to approve such solicitations will be as prescribed by [article 3-104](#), Purchasing Limits. If, due to the required services, a total cost cannot be determined then the award recommendation will be approved by Council.

I. Request for Proposals

Proposals shall be solicited through Request for Proposals. The Purchasing Division shall establish the specifications with the using agency and set the date and time to receive proposals. The request for proposal shall include a clear and accurate description of the technical requirements for the service or item to be procured.

II. Public Notice

The public will be given adequate notice of the request for proposals, provided that, adequate notice shall mean at least fifteen (15) business days before the due date, which is stated in the request. *The City reserves the right to seek request for proposals in a shorter period, if necessary, as determined by the Purchasing Manager.*

Notice shall be published in a reasonable time before due date, contain a description of the procurement in general terms, as well as, the place and due date for proposals, and appear in a newspaper(s) of general circulation, specifically the City's legal organ. In addition to publication in newspapers, notice shall also be made by electronic means, including posting on the internet and on the City's government access television channel.

Public works construction projects shall be advertised in accordance with Georgia State Law.

The City reserves the right to mail or e-mail invitations directly to vendors under the following circumstances:

- Solicitations for specialized equipment/supplies.
- Solicitations for specialized services.
- Re-bid of solicitations where normal advertising procedures netted no responses.
- Whenever deemed necessary by the purchasing manager.

III. Receipt of Proposals

Proposals must be received by the deadline date established. No public opening will be held. No proposals shall be handled to permit disclosure of the identity of any offeror or the contents of any proposal to competing offerors during the process of discussion. A register of proposals

shall be prepared as part of the contract file, and shall contain the name of each offeror, the number of modifications received (if any), and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after contract award.

IV. Evaluation Factors

The request for proposals shall identify the relative importance of cost (when applicable) and other evaluation criteria.

V. Evaluation Process

An odd number of voting members of a Selection or Evaluation Committee shall evaluate all proposals received based upon the criteria stated in the request for proposals. Each voting committee member shall grade each submitted proposal based upon the evaluation criteria.

VI. Discussion with Responsible Offerors and Revisions to Proposals

As provided in the Request for Proposals, discussions (negotiations) may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award, to assure full understanding of and conformance to the solicitation requirements. All qualified, responsible offerors shall be given fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of the identity of competing offerors or any information derived from proposals submitted by competing offerors. If only one proposal response is received, then the award recommendation shall be to the single offeror, if the offeror meets all requirements.

VII. Award

After negotiations, the award recommendation must be presented to Columbus City Council for final approval. Award will be made to the responsible offeror whose proposal is determined to be the most advantageous to the City, taking into consideration total cost (if determined) and all other evaluation factors set forth in the Request for Proposals.

After Council approval, a contract based on the negotiations (if negotiations were necessary) will be drawn and signed by all necessary parties. If Council does not approve the award, it may direct that further negotiations may take place with the recommended offeror, or that negotiations begin with the next most qualified offeror. Council may also exercise the option to reject all offers and instruct the Purchasing Division to begin the procurement process again. The contract file shall contain the basis on which the award is made.

After contract award, the contract file, will be made public. Unsuccessful offerors will be afforded the opportunity to make an appointment with the Purchasing Division for a debriefing. After the award, the contract file and the unsuccessful proposals will become subject to disclosure under the Georgia Open Records Act.

IX. EVALUATION OF PROPOSALS

A. Proposal Evaluation Timeline

All proposals must be reviewed and scored by an evaluation committee. The evaluation process normally takes approximately 3 months before a recommendation is provided to Columbus Council for review. The evaluation process may take longer if the required services or products are complex in nature, if negotiations are required, if presentations are required, if demonstrations are required, if site visits are required, etc. If the Purchasing Division determines the evaluation process may exceed the specified Time for Consideration period, the Purchasing Division may request respondents to extend the Time for Consideration period.

During the evaluation process, the Purchasing Division will notify respondents, via email, if clarification or additional information is required regarding proposals.

- B. Each submittal will be evaluated to determine the ability of each offeror to provide the required services. The following weighted criteria will be used to evaluate proposals:

CRITERIA	WEIGHT
A. Qualifications & Experience	45%
B. Client Work History	35%
C. Service Plan	15%
D. Cost Proposal (<i>subject to negotiations</i>)	5%
Total	100%

Each of the above criteria (A-D) will be given a rating by each voting member of the Evaluation Committee. The ratings are as follows:

Description	Value
Poor = Is not qualified.	20 Points
Marginal = Is minimally qualified but one or more area is lacking in some essential aspect.	40 Points
Adequate = Is qualified and is generally capable of achieving the objectives of this RFP.	60 Points
Good = Is more than qualified and exceeds in some areas.	80 Points
Excellent = Is fully qualified and exceeds in several or more areas.	100 Points

After the review and rating of proposal (s) by the evaluation committee, individual scores will be averaged and ranked. Offerors will be ranked in descending order of numerical predominance.

***In rating proposals, the Evaluation Committee reserves the right to include the company's performance on previous and current contracts for Columbus Consolidated Government (if any).**

Step 4

After you click NEXT on the Contract Information page, you will be directed to enter the documents required.

Create one (1) file containing only the required documents listed on the "Electronic Proposal Submission Checklist" page of the specifications and upload using the "Bidder Response ALL Documents" function.

NOTE: Do not enter information using the "Supplemental Documents" function.

Due to file size limitations, please do not include the City's specification document in your uploaded response as this information is already on file. Font and page limitations may also apply.

BEST PRACTICE TIP: In some instances, multiple addenda may be issued for a solicitation. To avoid having to re-upload your firm's response file multiple times, it is **recommended** that vendors upload within five (5) business days of the due date. The City posts all documents, to include addenda, on the Finance Department Bid Opportunities web page:
https://www.columbusga.gov/finance/purchasing/docs/opportunities/Bid_Opportunities.htm.

Step 5

Review Your E-Bid Response, and if everything is correct, then press "Submit Response"

You are done! And the government to which you've submitted this will download your responses and documents and see the day and time upon which you submitted your proposal.
