[redacted]

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the AF Bridge Action Reduction Plan? ☐ Yes ☒ No

Contracting Activity: 377th Contracting Division - Construction Branch

Project/Program Name: [redacted] Solar Power and supporting equipment

Purchase Request / Local ID Number: [redacted]

Estimated Contract Cost (including Options): [redacted]

Section B: Description of the Supplies/Services Required

Remove damaged equipment and install, configure and test solar panels and supporting equipment

Section C: Justification for Soliciting from a Single Source or Brand Name

InterPacific is the only contractor with the requisite technical knowledge and understanding of the unique electrical and physical configurations of Kirtland Air Force Base. The existing solar panel infrastructure has been [redacted]

Award to any other source would result in substantial duplication of costs to the Government for reverse engineering and testing, and would lead to unacceptable delays in restoring [redacted]

Section D: Efforts to Obtain Competition

Market analysis revealed no other companies that have the components, qualifications, access and system knowledge of equipment necessary to support the solar requirements of the Kirtland [redacted]

Section E: Steps to Preclude Future Single Source or Brand Name Awards

Will continue to conduct market surveys to determine potential future sources.

Section F: Contracting Officer's Determination

I have determined, in accordance with FAR 13.106-1(b)(1), that the circumstances of this contract action deem only a single source is reasonably available.
