Addendum 2

Addendum No. 2

The Commission hereby amends RFI No. FGCC-25/26-12 as noted within this Addendum. For revisions, underlines represent additions and strikethroughs represent deletions. In the event of a conflict between previously posted information and the information contained herein, the information herein shall control. The information included in this addendum is hereby made part of this solicitation.

Please note: This addendum does not need to be returned with the response.
