Virtual Ship Training Systems (VSTS) Classroom Spares Kit(s) Procurement

This is a solicitation for commercial items prepared in accordance with the format in the Revolutionary Federal Acquisition Regulation (FAR) Overhaul (RFO) Subpart 12.201-1, as supplemented with additional information included in this notice. This announcement constitutes the solicitation of the quoted items; no additional request for quotes and/or request for solicitation will be issued.

This solicitation is issued as Request for Quotation (RFQ) N6134026Q1015 and incorporates the provisions and clauses through Federal Acquisition Circular (FAC) 2026-01.

This procurement is being solicited as a 100% small business set-aside. The North American Classification System (NAICS) code for this effort is 423430 (Computer and Computer Peripheral Equipment and Software Merchant Wholesalers) with a size standard of 250 employees. This procurement will be awarded using the Simplified Acquisition Procedures (SAP) outlined in FAR Part 13. Naval Air Warfare Center Training Systems Division (NAWCTSD) in Orlando, Florida intends to issue a Firm Fixed Price (FFP) purchase order that covers brand name specific, with no substituted commercial items. All quote information shall be furnished at no cost or obligation to the Government.

Requirement Description:

The purpose of this procurement is to acquire five (5) spare classroom kits for the Virtual Ship Training Systems (VSTS) located at: (1) the Littoral Training Facility (LTF) in San Diego, CA; (2) the Mine Warfare Training Center (MWTC) Point Loma in San Diego, CA; (3) the LTF in Mayport, FL; (4) the LTF in Newport, RI; (5) the Naval Air Warfare Center Training Systems Divisions (NAWCTSD) SBIR (Small Business Innovation Research) Transition Program (STP) Lab in Orlando, FL . The required materials (descriptions, specifications, part numbers, and quantities) are identified in CLINs: 0001-0005 in the table below. Configuration control is of significant importance, as the current environment and support structures (e.g., classroom dimensions, connectivity, environmental controls, utility capacity, etc.) cannot be altered without significant additional expense (cost and schedule) or negatively impacting training capacity.

Response Submission Instructions:

1) Each VSTS Spares Kit shall be priced as follows:

CLIN	Item Description	Unit of Issue	Qty	Total Price
0001	Littoral Training Facility (LFT) Equipment Virtual Ship Training Systems (VSTS) Spares Kit: San Diego, CA	Kit	1	
0002	Mine Warfare Training Center (MWTC) Point Loma Equipment Virtual Ship Training Systems (VSTS) Spares Kit: San Diego, CA	Kit	1
