# Instructions to Offerors

**ADDENDUM TO RFO 52.212-1:**

**Price** submission must be completed using page 3 of the Combined Synopsis/Solicitation in order to be considered for this requirement.

**Technical** submission must be completed using a secondary document. The Technical information shall be clear, concise, and include sufficient detail for effective evaluation and for substantiating the validity of stated claims. Proposals shall provide convincing rationale addressing how the technical portion of the offer meets requirements listed in Attachment 1 – Salient Characteristics. Offerors shall assume the Government has no prior knowledge of the offeror's experience. The Government will base its evaluation on the information presented in the offer.

All documents are required to be submitted electronically for evaluation purposes via e-mail to patricia.bigornia.1@us.af.mil and 97CONF.PKA.Contracting@us.af.mil.
