52.219-14	Limitations on Subcontracting. (Deviation 2026-O0038)	2026-02		

Limitations on Subcontracting (Feb 2026) (Deviation 2026-O0038)

(a) This clause does not apply to the unrestricted portion of a partial set-aside.

(b) Definition. Similarly situated entity, as used in this clause, means a first-tier subcontractor, including an independent contractor, that-

(1) Has the same small business program status as that which qualified the prime contractor for the award (e.g., for a small business set-aside contract, any small business concern, without regard to its socioeconomic status); and

(2) Is considered small for the size standard under the North American Industry Classification System (NAICS) code the prime contractor assigned to the subcontract.

(c) Applicability. This clause applies only to-

(1) Contracts that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(2) Part or parts of a multiple-award contract that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(3) Contracts that have been awarded on a sole-source basis in accordance with sections 19.105, 19.106, 19.107, and 19.108;

(4) Orders expected to exceed the simplified acquisition threshold and that are set aside for small business concerns under multiple-award contracts, as described in 8.4 and 16.5;

(5) Orders, regardless of dollar value, that are set aside in accordance with sections 19.105, 19.106, 19.107, and 19.108 under multiple-award contracts, as described in 8.4 and 16.5; and

(6) Contracts using the HUBZone price evaluation preference to award to a HUBZone small business concern unless the concern waived the evaluation preference.

(d) Independent contractors. An independent contractor shall be considered a subcontractor.

(e) By submission of an offer and execution of a contract, the Contractor agrees that in performance of a contract assigned a North American Industry Classification System (NAICS) code for-

(1) Services (except construction), it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract;

(2) Supplies (other than procurement from a nonmanufacturer of such supplies), it will not pay more than 50 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both supplies and services, the 50 percent limitation shall apply only to the supply portion of the contract;

(3) General construction, it will not pay more than 85 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that

are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 85 percent subcontract amount that cannot be exceeded; or

(4) Construction by special trade contractors, it will not pay more than 75 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 75 percent subcontract amount that cannot be exceeded.

(f) The Contractor shall comply with the limitations on subcontracting as follows:

(1) For contracts, in accordance with paragraphs (c)(1), (2), (3) and (6) of this clause-

[Contracting Officer check as appropriate.]

[ ] By the end of the base term of the contract and then by the end of each subsequent option period; or

[ ] By the end of the performance period for each order issued under the contract.

(2) For orders, in accordance with paragraphs (c)(4) and (5) of this clause, by the end of the performance period for the order.

(g) A joint venture agrees that, in the performance of the contract, the applicable percentage specified in paragraph (e) of this clause will be performed by the aggregate of the joint venture participants.

(1) In a joint venture comprised of a small business protégé and its mentor approved by the Small Business Administration, the small business protégé shall perform at least 40 percent of the work performed by the joint venture. Work performed by the small business protégé in the joint venture must be more than administrative functions.

(2) In an 8(a) joint venture, the 8(a) participant(s) shall perform at least 40 percent of the work performed by the joint venture. Work performed by the 8(a) participants in the joint venture must be more than administrative functions.

Postaward Small Business Program Rerepresentation (Feb 2026) (Deviation 2026-O0038)

(a) Definitions. As used in this clause-

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern-

(1) Means a concern, including its affiliates, that is independently owned and operated, not dominant in its field of operation, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (c) of this clause.

(2) Affiliates, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was a small business concern, a small disadvantaged business concern, or a joint venture that was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (e) of this clause or, if applicable, paragraph (g) of this clause, upon occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification of the contract to include this clause, if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at https://www.sba.gov/document /support--table-size-standards.

(d) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a construction or service contract, is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(1) Was set aside for small business and has a value above the simplified acquisition threshold;

(2) Used the HUBZone price evaluation preference regardless of dollar value, unless the Contractor waived the price evaluation preference; or

(3) Was an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(e) Except as provided in paragraph (g) of this clause, the Contractor shall make the representation(s) required by paragraph (b) of this clause by validating or updating all its representations in the Representations and Certifications section of the System for Award Management (SAM) and its other data in SAM, as necessary, to ensure that they reflect the

Contractor's current status. The Contractor shall notify the contracting officer in writing within the timeframes specified in paragraph (b) of this clause, that the data have been validated or updated, and provide the date of the validation or update.

(f) If the Contractor represented that it was other than a small business concern prior to award of this contract, the Contractor may, but is not required to, take the actions required by paragraphs (e) or (g) of this clause.

(g) If the Contractor does not have representations and certifications in SAM, or does not have a representation in SAM for the NAICS code applicable to this contract, the Contractor is required to complete the following rerepresentation and submit it to the contracting office, along with the contract number and the date on which the rerepresentation was completed:

LIMITATION OF GOVERNMENT'S OBLIGATION (APR 2014)

(a) Contract line item(s) ____[Contracting Officer insert after negotiations] is/are incrementally funded. For this/these item(s), the sum of $ ____[Contracting Officer insert after negotiations] of the total price is presently available for payment and allotted to this contract. An allotment schedule is set forth in paragraph (j) of this clause.

(b) For item(s) identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government's convenience, approximates the total amount currently allotted to the contract. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor will notify the Contracting Officer in writing at least ninety days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable item(s). The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (j) of this clause, or to a mutually agreed upon substitute date. The notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (j) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the parties will agree as to the period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date, and the contract will be modified accordingly.

(e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."

(f) The Government may at any time prior to termination allot additional funds for the performance of the contract line item(s) identified in paragraph (a) of this clause.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or obligations of the

parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.

The Government anticipates awarding a firm-fixed price contract from this solicitation. The Government intends to evaluate offers and may make awards without discussions or exchanges with Offerors. Therefore, Offerors' initial offer should contain the best

terms from a price and technical standpoint. The Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest.

(a) Basis for Contract Award:

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. This is a Total Small Business Set-Aside. To be eligible for award, the offeror must be registered as a Small Business under the associated North American Industry Classification System (NAICS) code and comply with all applicable limitations on subcontracting (FAR 52.219-14).

The following factors shall be used to evaluate offers:

1. Factor 1: Technical Capability

2. Factor 2: Price

Relative Importance of Factors:

Factor 1 (Technical Capability) is more important than Factor 2 (Price). As competing quotes approach equality in non-price factors, Price will become a more significant discriminator in the award decision.

(b) Evaluation Approach by Factor:

Factor 1: Technical Capability

The Government will evaluate the offeror's technical quote to determine its understanding of, and approach to, meeting the requirements outlined in the Performance Work Statement (PWS).

Subfactor 1 (e.g., Technical Approach): The Government will evaluate the proposed methodology and execution strategy for feasibility and likelihood of successful performance. (IAW PWS Part 5)

Subfactor 2 (e.g., Management/Staffing Plan): The Government will evaluate the offeror's ability to provide qualified personnel and manage resources effectively, including adherence to Small Business subcontracting limitations. (IAW PWS para 1.11)

Evaluation Method: The Technical factor will be assigned an adjectival rating (Acceptable or Unacceptable) based on the degree to which the quote meets or exceeds the requirements and the level of risk associated with the proposed approach.

2. The selection of a source for award purposes will be conducted utilizing source selection procedures in accordance with the Federal Acquisition Regulation (FAR) Parts 12. The offer will be evaluated using the criteria under FAR 52.212-2, Evaluation-Commercial Products and Commercial Services.

3. Company name and address. Unique Entity ID (UEI) Number CAGE Code.

4. Company business size and, if applicable, socioeconomic status under NAICS 541380, Testing Laboratories and Services.

5. Company point(s) of contact and contact information.

6. Confirmation that System for Award Management (SAM) registration is active.

7. Offerors' price quote should indicate the service element specified under the SF 1449 cost schedule service description, with itemized pricing for each service element specified. Any deviations from the service element specified shall be explained in the Offerors response.

8. The Offer. The submission of the documentation specified below will constitute the Offeror's acceptance of the terms and conditions of the RFP, concurrence with the Performance Work Statement (PWS) and contract type.

9. Instructions outlined in paragraph C below, prescribe the format for the quotes and describe the approach for the development and presentation of quote data. These instructions are designed to ensure the submission of necessary information to provide for the understanding and comprehensive evaluation of quotes. Proprietary information shall be clearly marked.

10. Price information shall not appear in the Technical quote. Quotes that fail to separate price information from the Technical quote will not be considered for award.

11. All documents for this solicitation are available on the SAM.gov website at https://sam.gov/.

12. The entire quote shall remain valid for a minimum of 90 days from receipt by the Government and shall not contain classified data or information. Quotes offering a shorter period will not be considered for award.

13. Offeror Questions and Clarifications: Any questions, comments or clarifications concerning any aspect of the solicitation shall be submitted in writing via e-mail to darian.r.tippins.civ@army.mil and jodi.e.woods.civ@army.mil five (5) business day after issuance of solicitation. Questions or clarifications submitted should identify the topic (e.g., technical or price), and must reference the applicable section of the

EVALUATION FACTORS FOR AWARD

A. Basis for Contract Award.

1. This is a best value source selection conducted in accordance with Revolutionary FAR 15.304, as supplemented by the Defense Federal Acquisition Regulation Supplement (DFARS), and the Army Federal Acquisition Regulation Supplement (AFARS). Award will be made to a single offeror who is deemed responsible in accordance with the FAR, whose proposal conforms to the solicitation requirements, and whose proposal judged by an overall assessment of the evaluation criteria and other considerations specified in this solicitation, represents the Lowest Priced Technically Acceptable (LPTA) offer in accordance with Revolutionary FAR Overhaul (RFO) 15.101-2.

2. Award will be made on a lowest price, technically acceptable basis. Discussions may be conducted whenever the Contracting Officer deems it appropriate. The contract will be awarded strictly in accordance with the criteria and process established in FAR Parts 12 and 15.

3. Trade-offs between price and non-price factors are not permitted. Unreasonably high, unbalanced, inaccurate or incomplete price proposal, may be the grounds for eliminating a proposal from competition. The Government will evaluate proposed prices for reasonableness using price analysis techniques.

B. Evaluation Criteria.

1. Evaluation criteria consist of two factors - Technical and Price (see FAR 52.212-1 - Instructions to Offerors - Commercial Products and Commercial Services). The proposals will be evaluated under one evaluation factor:

(a) Factor 1 - Technical. The Technical Factor evaluation provides an assessment of the offeror's capability to successfully satisfy the Government's minimum requirements. When evaluating this factor, Government assessment will focus on the offeror's ability develop and maintain an effective quality control program to ensure supplies are delivered and services are rendered in accordance with the PWS.

The Technical Factor will receive one of the adjectival ratings defined below. The factor rating will be used to determine an overall rating for the factor.

Table A - Technical Acceptable/Unacceptable Ratings

TECHNICAL EVALUATION	
RATING	DESCRIPTION
Acceptable	Proposal clearly meets the minimum requirements of the solicitation.
Unacceptable	Proposal does not clearly meet the minimum requirements of the solicitation.

The list of technical factors:

PWS Reference Evaluation Criterion Pass/Fail Standard (Go/No-Go)

4.4, 1.7.1 Quality Control Plan (QCP) Submission Pass: The bidder submitted a Quality Control Plan with their proposal. Fail: The bidder did not submit a QCP.

4.5, 1.8 MDE Laboratory Certification Pass: The bidder submitted proof of current Maryland Department of the Environment (MDE) certification for all required analytical methods. Fail: The bidder did not submit the certification, or the certification is expired.

5.1.3, 1.8 Radiological Analysis Certification Pass: The bidder submitted proof of certification for radiological analysis (Gross Beta) from the Laboratory Accreditation Bureau/NELAC. Fail: The

bidder did not provide specific proof of radiological certification. Stating a partnership with a lab is not sufficient without the certification itself.

1.11 Key Personnel Designation Pass: The bidder identified a primary Project Manager and an alternate in their proposal. Fail: The bidder did not identify the required key personnel.

4.1 Subcontracted Lab Disclosure (DMR-QA) Pass: The bidder's proposal acknowledges the requirement to disclose all subcontracted labs and ensure their participation in the EPA DMR-QA study. Fail: The proposal does not address this requirement.

(b) Factor 2 - Price. Price will not be rated or scored. The Offeror's price proposal will be assessed utilizing price analysis techniques at FAR Part 12 to establish a fair and reasonable price. The Government will evaluate its option to extend services (see FAR 52.217-8) by adding six (6) months of each Offeror's final price to the Offeror's total price. Thus, for the purpose of evaluation only, the offeror's total price will include the price offered for: the base period, first option period, second option period, third option period, fourth option period and addition price equal to six months of the fourth option. The Government may or may not choose to exercise the Extension of Services at the end of any performance period (base or option periods), utilizing the rates of that performance period.

(a) 2. A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
