PURPOSE/DESCRIPTION

INTERESTED SOURCES MUST SELECT "ADD ME TO INTERESTED VENDORS" BUTTON ABOVE OR BELOW TO BE CONSIDERED PARTICIPANTS IN THIS MARKET RESEARCH EFFORT.
THERE IS NO SOLICITATION AVAILABLE AT THIS TIME. REQUESTS FOR A SOLICITATION WILL NOT RECEIVE A RESPONSE.

This Sources Sought Synopsis (SSS) is in support of Market Research being conducted by the United States Air Force to identify potential Overhaul **sources for the requirements identified below and to determine if this effort can be competitive or a Small Business Set-Aside. The Government may consider breaking the requirement out by airframe. This is not a Request for Proposal (or solicitation) or an indication that a contractual commitment will exist for this requirement. The government does not intend to award a contract on the basis of this market research. No funds are available to fund the information solicited.**

The Government will use the information gathered through publication of this SSS to determine the best acquisition strategy for this requirement. The Government is interested in all potential sources including Small Businesses, Small Disadvantaged Businesses, 8(a) businesses, Service-Disabled Veteran-Owned Small Businesses, HUBZone Small Businesses, Women-Owned Small Businesses, etc.
The 423rd SCMS **Supply Chain Management Squadron located at Tinker Air Force Base is requesting information, pursuant to FAR PART 10, in support of Market Research to identify potential sources for the** Overhaul **of the NSN(s) listed below.**

REQUIREMENTS

The contractor shall be capable of furnishing all required labor, material, facilities and equipment to accomplish repair, test, preservation and packaging, and return to the government a completely serviceable unit. Contractor will be responsible for supply chain management, logistics, forecasting of parts, long-lead parts procurement, reparable forecasting, obsolescence issues and delivery of completed assets.

The repair requirement for this effort is identified below:

Part Number	NSN	Estimated Repair Requirement
35-12569-501	1680-01-527-8154FG	FFQ of 15ea

REQUIREMENTS (CONT'D)

Part Number	NSN	Estimated Repair Requirement

TECHNICAL DATA

The government does have the associated technical data to provide to potential sources.

Technical Orders applicable to this sources sought synopsis are as follows:

See Repair Data List (RDL) or List of TO's embedded in this document (if available)

Government provided data is annotated on the RDL attached to this posting. Absence of an RDL indicates the Government cannot provide technical data and that potential sources are required to independently acquire the necessary technical data to satisfy this requirement.

See Public Sales Fact Sheet embedded in this document

Requests for TECHNICAL ORDERS should be submitted to the Tinker AFB Public Sales Office in accordance with the instructions contained in the "TO Public Sales Fact Sheet". Requests for TECHNICAL ORDERS need to be emailed to AFLCMC.LZP.PUBSALES@us.af.mil Tinker AFB TO Public Sales Office Phone: (405) 736-3868/3197 or DSN: 336-3868/3197

See PubSalesForm Excel Spreadsheet embedded in this document

If drawings are listed on RDL, requests for Engineering Drawings in response to SSS posting should be submitted using the EXCEL spreadsheet and send to Tinker Engineering Drawings Public Sales Desk Email: email ocalc.lgldo.public@us.af.mil Phone: 405-736-4676, or DSN: 336-4676

SOURCE APPROVAL

Potential sources wishing to be qualified to perform the requirement specified above are REQUIRED to complete a Source Approval Request (SAR) package as specified in the Qualification Requirements for this item. QR's, if applicable, are attached to this notice. The QR attached to this document is for reference only. The official synopsis of the QR's for this item can be found by searching www.sam.gov/ for the keyword "Repair / Remanufacture Qualification Requirements 848-RQR ". Changes to the item list or QRs will be published to the official solicitation, not this notice.

If class RQR's are not applicable to part (RMSC codes applicable are: C, D, K, M, N, P, Q, R, S, V, and Z), attach appropriate QR here.

See RQRs embedded in this document

For Questions regarding the Tinker SAR Process or related issues, these inquiries should be submitted to the AFSC Small Business Office at:

AFSC/SB
3001 Staff Drive, Suite 1AG 85A
Tinker AFB, OK 73145-3009
Email: afsc.sb.workflow@us.af.mil
Website: https://www.afsc.af.mil/units/sbo/index.asp

The actual SAR Package submission itself shall be submitted electronically through DoD SAFE https://safe.apps.mil/. DoD SAFE is a safe and secure option for large file submissions. If you have a PKI Certificate, the SAR can be sent directly to the POC email addresses below via DoD SAFE. If you do not have a PKI Certificate, then you must send a standard email message to the POC email addresses below, and ask that they "Request a Drop-Off" to your email address via DoD SAFE, which will enable you to be able to Upload the SAR Submission Package documents to DoD SAFE.

429SCMS.SASPO.Workflow@us.af.mil and cory.wilson.1@us.af.mil
