Electronic procedures will be used for this solicitation. FA8213-26-R-3044

Wing, Fin, Elevon Cartridges
Product Service Code: 1377 – CAD/PAD Components
NAICS: 325920 - Explosive Manufacturing

Issuing Contract Office:
FA8213 AFLCMC EBHK
6072 Fir Ave BLDG 1233
Hill AFB, UT 84056-5820
United States

Set Aside Status:
Full and Open Competition – Must be a qualified source by time of contract award. See JQR attachment for qualification process.

Place of Contract Performance:
To be determined upon contract award

All responsible sources may submit a proposal which shall be considered by the agency.

Notice to foreign owned firms:

Prospective Offerors are advised that foreign participation is permitted at the prime contractor level. Foreign-owned firms are advised to contact the contracting officer before submitting any proposal information to determine whether there are restrictions on receiving an award.

Description:
This acquisition is to establish a firm-fixed price (FFP) contract. The United States Government (USG) intends to procure Wing, Fin and Elevon Cartridges for use in USAF AGM-86 Air Launched Cruise Missiles (ALCM). (25ALCM - Cruise Missiles LCHN).

The USG reserves the right to not issue a solicitation in response to this Synopsis. Interested parties with questions may reach out to the Primary Contracting Officer as listed below.

The JQR documents describing the required process needed to become qualified (as a requirement to be considered a technically acceptable source for award) are listed in the attachments below.

Line-Item Overview:

0001 - Fin Cartridges for use in USAF AGM-86 Air Launched Cruise Missiles (ALCM). (25ALCM - Cruise Missiles LCHN) Description: DODIC: V781, Quantity: 65 EA

NSN: 1336015197203ES P/N: 30900-1 Cage: 12116 Delivery: On or Before 31 MAY 2028

ALT NSN: 1336011184637ES P/N: 50-8268-4 Cage: 54181 Delivery: On or Before 31 MAY 2028

0002 - Cartridge used in the Elevon Deployment Actuator of the AGM-86 Cruise Missile Description: DODIC: KY40, Quantity: 40 EA

NSN: 1336015195719ES P/N: 30920-1 CAGE: 12116 Delivery: On or Before 31 MAY 2028

ALT NSN: 1336011259400ES P/N: 50-8324-4 CAGE: 54181 Delivery: On or Before 31 MAY 2028

Electronic procedures will be used for this solicitation. FA8213-26-R-3044

0003 - Cartridge used in the Wing Deployment Actuator of the AGM-86 Cruise Missile Description: DODIC: V780, Quantity: 120EA

NSN:1336011184636ES P/N: 50-8264-5 CAGE: 54181 Delivery: On or Before 31 MAY 2028

ALT NSN; 1336015197200ES P/N: 30910-1 CAGE: 12116 Delivery: On or Before 31 MAY 2028

0004 - Technical Data, Not Separately Priced, IAW DD 1423-1(s), Delivery IAW applicable DD1423-1(s)
