Contractor Performance Evaluation Ordinance

At the end of this contract, the City will conduct an evaluation of the Contractor's performance. The City may also conduct evaluations of the Contractor's performance during the term of the contract. As required by Section 10.39.2 of the Los Angeles Administrative Code, evaluations will be based on a number of criteria, including the quality of the work product or service performed, the timeliness of performance, financial issues, and the expertise of personnel that the Contractor assigns to the contract. A Contractor who receives a “Marginal” or “Unsatisfactory” rating will be provided with a copy of the final City evaluation and allowed 14 calendar days to respond. The City will use the final City evaluation, and any response from the Contractor, to evaluate proposals and to conduct reference checks when awarding other personal services contracts.
