5. Rationale Justifying Use of Cited Authority

A/RMC 3

Acquire, for the second or subsequent time, directly from the actual manufacturer.

A/RMSC Z

This part is a commercial/nondevelopmental/off-the-shelf item. Commercial item descriptions, commercial vendor catalog or price lists or commercial manuals assigned a technical manual number apply. If one source is available, A/RMCs 3, 4, or 5 are valid. If at least two sources are available, A/RMCs 1 or 2 are valid.

This acquisition will be negotiated with

[redacted] Based on the market research performed by the technical advocate, it is concluded that the only source of procurement is [redacted] because they are currently the only source capable of satisfying this requirement, [redacted] is the only known source that has/owns the data, and it has been deemed uneconomical to pursue the acquisition of the data because the data and its content are not available. There are no authorized substitutes of this item as this is the only item known to meet performance and compatibility requirements within the higher assembly. Furthermore, there is no data to support an open and full competition. The item has to be tested within the upper assembly and qualify within approved testing specifications procedures, embedded coding procedures, design protocols, and internal QA requirements. The latest configuration has been checked and all records (ITIMP, JDRS/ASE, etc.) have been properly aligned, identified, and documented. The government does not own the data or rights to the data needed to solicit this requirement from other sources other than [redacted], is uneconomical to obtain, and it is uneconomical to reverse engineer the part. NAVSUP-WSS must procure the item from [redacted]. In accordance with DFARS PGI 212.102(a)(i) and (ii), this item meets the commercial item description defined in FAR 2.101. There are no known authorized distributors for this NIIN.

6. Description of Efforts Made To Solicit Offers From as Many Offerors as Practicable

The proposed contract action was synopsized in the government-wide point of entry on [redacted]

The following sources have expressed an interest, in writing, in this acquisition

[redacted]

7. Determination of Fair And Reasonable Cost

The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable. The Contracting Officer will perform cost/pricing analysis to determine that pricing is fair and reasonable prior to awarding.

8. Actions to Remove Barriers to Future Competition

To promote competition, NAVSUP WSS will continue to encourage vendors with the expertise to manufacture/repair the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority per the (WSS) guidelines. Also, future requirements will be advertised on the government-wide point of entry. For reasons set forth in Paragraph (5 & 6), NAVSUP WSS has no plans at this time to compete future contracts for the subject item covered by this document. If another potential manufacturing source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible. Also, future requirements will be advertised on the government-wide point of entry.
