COMPILATION OF PERFORMANCE WORK STATEMENTS (PWS)

CAMP GRAYLING JOINT MILITARY TRAINING CENTER, MICHIGAN

• PERIOD OF PERFORMANCE: 7 JULY 2026 – 26 JULY 2026

PERFORMANCE WORK STATEMENT 1: WASTE DUMPSTER SERVICES

1.0 General:

1.1 Scope:

The contractor shall provide all personnel, equipment, tools, materials, supervision, and quality control necessary, except as specified in Paragraph 3.0 as Government Furnished, to perform Dumpster Rental and Waste Removal Services as defined in this PWS. Under this revised model, the quantity of dumpsters has been adjusted to eliminate any requirement for equipment relocation during the contract period.

1.2 Background:

The training exercises at Camp Grayling Joint Military Training Center (CGJMTC), Michigan, require reliable waste removal and management services to maintain a sanitary and safe training environment for military personnel.

1.3 Period of Performance (PoP):

The Period of Performance shall be from **7 July 2026 to 26 July 2026**.

1.4 General Information:

1.4.1 Place and Performance of Services:

Performance shall be at Camp Grayling Joint Military Training Center, Michigan. Specific dumpster positions are designated within the training areas under the direction of the Point of Contact (POC). The contractor shall provide services as required to meet the standards outlined in this PWS, including after-hours or on weekends if necessary.

1.4.2 Quality Assurance (QA):

The Government will evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan defines how performance standards will be applied, surveillance frequency, and acceptable quality levels (AQL).

1.4.3 installation Access and Security Requirements:

The contractor and all associated subcontractor employees shall comply with all applicable installation/facility access and local security policies and procedures. Ground access control regulations, background checks, and badging requirements must be fully met by all personnel entering Camp Grayling.

1.4.4 Physical Security:

The contractor shall safeguard all Government property provided for contractor use. At the close of each work period, facilities, equipment, and materials shall be secured.

1.4.5 Combating Trafficking in Persons:

In accordance with FAR 22.17 and FAR 52.222-50, the United States Government has a zero-tolerance policy regarding trafficking in persons. Contractors, contractor employees, and subcontractors shall not engage in severe forms of trafficking, commercial sex, or forced labor. Violations will result in immediate termination of the contract.

1.4.6 Organizational Conflicts of Interest (OCI):

The contractor shall comply with FAR Subpart 9.5 to identify, avoid, or mitigate any actual or potential organizational conflicts of interest during contract execution.

2.0 Definitions and Acronyms:

2.1 Definitions:

- **Contractor**: A supplier or vendor awarded a contract to provide specific supplies or services to the Government.
- **Defective Service**: A service output that does not meet the standard of performance associated with the PWS.
- **Deliverable**: Anything that can be physically delivered (e.g., containers, service logs, or compliance reports).
- **Quality Assurance (QA)**: The Government procedures to verify that services being performed by the Contractor are performed according to acceptable standards.
- **Quality Control (QC)**: All necessary measures taken by the Contractor to ensure that the quality of a product or service meets contract requirements.

2.2 Acronyms:

- **COR**: Contracting Officer Representative
- **KO**: Contracting Officer
- **MGRS**: Military Grid Reference System
- **POC**: Point of Contact
- **PWS**: Performance Work Statement
- **SAM**: System for Award Management

3.0 Government Furnished Property, Material, Equipment and Services (GFP/M/E/S):

NONE.

4.0 Contractor Furnished Property, Materials, and Equipment (CFP/M/E):

Except for those items specifically stated to be Government-Furnished in Paragraph 3.0, the contractor shall furnish everything required to perform these services as indicated in Paragraph 1.1.

5.0 Requirements:

The contractor shall:

5.1 General Requirements:

5.1.1 Compliance:

Ensure all waste (general refuse and solid waste) is transported and disposed of in accordance with all applicable environmental, local, and federal regulations.

5.1.2 Mobility / Relocation:

No relocations are scheduled or required under this contract. All dumpsters shall be pre-placed at their designated static locations for the duration of the contract.

5.1.3 Site Cleanliness:

The contractor is responsible for maintaining at least a 10-foot circumference visibly free of trash around each dumpster in order to reduce rodent and critter infestation.

5.1.4 Damage Repair:

The contractor is responsible for repairing any damage made or done during the duration of the contract (e.g., ruts in the grass, damage to the gravel pads, etc.) caused during placement or removal.

5.2 Specific Dumpster Requirements:

5.2.1 Equipment Provision:

Provide a total of **sixteen (16) roll-off refuse dumpsters** (increased from 8 to eliminate the need for the original 8 requested relocations). Each dumpster shall have a capacity of approximately **20-cubic-yards** (approx. 20-foot container length).

5.2.2 Service Frequency:

Empty and service dumpsters on alternating days (every 48 hours) to prevent overflow.

5.2.3 Quote Structure:

Provide a "per unit" quote for the dumpsters used throughout the period. Dates may shift based on state and federal training schedules. Billing must be adjusted accordingly.

6.0 Service Contract Reporting:

The contractor shall report ALL contractor labor hours (including subcontractor labor hours) required for performance of services provided under this contract for the National Guard Bureau via SAM.gov, in strict compliance with FAR 52.204-14/15 and DFARS 204.17.

PERFORMANCE WORK STATEMENT 2: PORTABLE TOILET (PORTAJOHN) SERVICES

1.0 General:

1.1 Scope:

The contractor shall provide all personnel, equipment, tools, materials, supervision, and quality control necessary, except as specified in Paragraph 3.0 as Government Furnished, to perform Portable Toilet (Portajohn) Rental and Servicing as defined in this PWS. Under this revised model, the quantity of units has been adjusted to eliminate any requirement for equipment relocation during the contract period.

1.2 Background:

This requirement is to provide essential field sanitation and waste management services for military personnel during a multi-unit training exercise at Camp Grayling, Michigan.

1.3 Period of Performance (PoP):

The Period of Performance shall be from **7 July 2026 to 26 July 2026**.

1.4 General Information:

1.4.1 Place and Performance of Services:

Performance shall be at Camp Grayling Joint Military Training Center, Michigan. Specific latrine coordinates and drop dates are detailed in Section 5.3.

1.4.2 Quality Assurance (QA):

The Government will evaluate the contractor's performance under this contract in accordance with the QASP.

1.4.3 Installation Access and Security Requirements:

The contractor and all associated subcontractor employees shall comply with all local installation access and security procedures. Background checks and identification media retrieval must be conducted in compliance with Department of Defense rules.

1.4.4 Combating Trafficking in Persons:

The contractor shall comply with FAR 22.17 and notify its employees of the zero-tolerance policy.

1.4.5 Organizational Conflicts of Interest (OCI):

The contractor shall comply with FAR Subpart 9.5.

2.0 Definitions and Acronyms:

2.1 Definitions:

- **Contractor**: A supplier or vendor awarded a contract to provide specific supplies or service to the Government.
- **Defective Service**: A service output that does not meet the standard of performance associated with the PWS.
- **Deliverable**: Anything that can be physically delivered.

2.2 Acronyms:

- **COR**: Contracting Officer Representative

- **KO**: Contracting Officer
- **MGRS**: Military Grid Reference System
- **POC**: Point of Contact
- **PWS**: Performance Work Statement
- **SAM**: System for Award Management

3.0 Government Furnished Property, Material, Equipment and Services (GFP/M/E/S):

NONE.

4.0 Contractor Furnished Property, Materials, and Equipment (CFP/M/E):

Except for those items specifically stated to be Government-Furnished in Paragraph 3.0, the contractor shall furnish everything required to perform these services as indicated in Paragraph 1.1.

5.0 Requirements:

The contractor shall:

5.1 General Requirements:

5.1.1 Compliance:

Ensure all human waste and black water is transported and disposed of in accordance with all applicable environmental, local, and federal regulations.

5.1.2 Mobility / Relocation:

No relocations are scheduled or required under this contract.

5.1.3 Repair:

The contractor is responsible for repairing any damage made or done during the duration of the contract.

5.2 Specific Portajohn Requirements:

5.2.1 Equipment Provision:

Provide a total of **334 portable toilet units** for field sanitation (increased from 333 to eliminate the 1 requested relocation).

5.2.2 Service Frequency:

Service, clean, and restock (toilet paper, hand sanitizer) all units on alternating days (every 48 hours).

5.2.3 Delivery & Setup:

Initial delivery and setup of units at the locations specified in Section 5.3 shall be completed by the specified "Drop Date".

5.2.4 Discrepancy Clarification:

The master summary requires 334 units. The detailed location schedule below specifies **331 units** across 41 locations. The remaining **three (3) units** shall be held as static float/reserve units at primary operating bases to handle surge requirements, eliminating the need for relocations.

5.3 Initial Delivery Locations & Quantities:

6.0 Service Contract Reporting:

The contractor shall report ALL contractor labor hours required for contract performance via SAM.gov in accordance with FAR 52.204-14/15 and DFARS 204.17.

PERFORMANCE WORK STATEMENT 3: GREY WATER HOLDING TANK SERVICES

1.0 General:

1.1 Scope:

The contractor shall provide all personnel, equipment, tools, materials, supervision, and quality control necessary, except as specified in Paragraph 3.0 as Government Furnished, to perform Grey Water Holding Tank Rental and Servicing as defined in this PWS. Under this revised model, the quantity of holding tanks has been adjusted to eliminate any requirement for equipment relocation during the contract period.

1.2 Background:

Used water from kitchen field sanitation operations requires proper containment, storage, pumping, and disposal to maintain sanitary field operating bases at Camp Grayling, Michigan.

1.3 Period of Performance (PoP):

The Period of Performance shall be from **7 July 2026 to 26 July 2026**.

1.4 General Information:

1.4.1 Place and Performance of Services:

Performance shall be at Camp Grayling Joint Military Training Center, Michigan. Specific location coordinates are detailed in Section 5.2.

1.4.2 Quality Assurance (QA):

The Government will evaluate the contractor's performance in accordance with the QASP.

1.4.3 Installation Access and Security Requirements:

The contractor and all associated subcontractor employees shall comply with all installation security and access regulations.

1.4.4 Combating Trafficking in Persons:

The contractor shall comply with FAR 22.17 and notify its employees of the zero-tolerance policy.

1.4.5 Organizational Conflicts of Interest (OCI):

The contractor shall comply with FAR Subpart 9.5.

2.0 Definitions and Acronyms:

2.1 Definitions:

- **Contractor**: A supplier or vendor awarded a contract to provide specific supplies or service to the Government.
- **Defective Service**: A service output that does not meet the standard of performance associated with the PWS.
- **Deliverable**: Anything that can be physically delivered.

2.2 Acronyms:

- **COR**: Contracting Officer Representative

- **SAM**: System for Award Management

3.0 Government Furnished Property, Material, Equipment and Services (GFP/M/E/S):

NONE.

4.0 Contractor Furnished Property, Materials, and Equipment (CFP/M/E):

Except for those items specifically stated to be Government-Furnished in Paragraph 3.0, the contractor shall furnish everything required to perform these services as indicated in Paragraph 1.1.

5.0 Requirements:

The contractor shall:

5.1 General Requirements:

5.1.1 Compliance:

Ensure all grey water is transported and disposed of in accordance with all applicable environmental, local, and federal regulations.

5.1.2 Mobility / Relocation:

No relocations are scheduled or required under this contract.

5.1.3 Repair:

The contractor is responsible for repairing any damage made or done during the duration of the contract.

5.2 Specific Grey Water Tank Requirements:

5.2.1 Equipment Provision:

Provide grey water holding tanks for the containment of used water from kitchen field sanitation operations. Provide a total of **four (4) grey water holding tanks**.

5.2.2 Tank Capacity:

Each tank shall have a capacity of at least **2,000 gallons**.

5.2.3 Service Frequency:

Empty and pump tanks on alternating days (every 48 hours). The total number of emptying across the contract period is capped at **14 emptying** (in alignment with the requirement spreadsheet). By using 4 static tanks, the 14 emptying are distributed across sites without any requirement to physically relocate tanks.

5.2.4 Initial Delivery Locations:

Location Identifier	Coordinates (MGRS)	Dates of Operation	Qty Needed
BEB Field Feeding Site	16TFQ 73674 42141	12-20 July 2026	1 Tank
BSB Field Feeding Site	16TFQ 79630 51040	12-20 July 2026	1 Tank
Subsequent Locations	To Be Clarified	19-22 July 2026	2 Tanks
Alternate locations	As requested by the POC	As needed	As needed

6.0 Service Contract Reporting:

The contractor shall report ALL contractor labor hours required for contract performance via SAM.gov in accordance with FAR 52.204-14/15 and DFARS 204.17.
