8. Item 0022: I am unable to locate a product matching the part number listed for this item. Could you provide additional clarification or confirm the correct part number?

This is a better reference number 4213010001 from Selmer's site.

9. Items 0062–0064: These items specify Boston Sax Shop Black Label Baritone Saxophone Reeds in a quantity of 10; however, the manufacturer only sells these reeds in 5-packs. Should we supply two 5-packs per line item to fulfill the quantity of 10?

Please send 10 boxes with 5 per box.

10. Items 0067–0069: Similar to Items 62–64, could you confirm whether the quantities specified for these items are intended to be fulfilled using 5-packs?

Please send 10 boxes with 5 per box.

11. Item 0073: I am unable to locate a product matching the part number listed for this item. Could you confirm whether the specification and part number are correct?

Here is a link to the product we are looking to get.

https://www.sweetwater.com/store/detail/CX-0114-10--remo-controlled-sound-by-coated-drumhead-14-inch-with-black-dot?msockid=238aa583fcd661660ef6b200fd53605e

12. Item 0079: The supply list specifies a Tenor Ukulele with case, however the manufacturer lists the case as sold separately for this model. Could you specify whether a particular case is required, or whether any compatible tenor ukulele case is acceptable?

If the instrument does not come with a case, then just send the instrument.

13. Item 0081: The ST10 model is marketed specifically as a trumpet bell lyre, however the specification lists it as a Saxophone and Trombone Lyre. Could you clarify whether the ST10 is the intended product, or provide further guidance?

Correct. The website does market them for trumpets; however, the way they clamp onto the bell of the instrument, it works best for trombone and saxes. Item 0085 is what we would use for our trumpet players, it is also marketed for trumpets.

Delivery Questions:

1. Must all items be delivered in a single shipment, or may items be delivered in multiple shipments if some have longer lead times?

Items can be delivered in multiple shipments if some have longer lead times.

2. Are there any specific packaging or labeling requirements for the shipment?

If the unit cost of any item is 5K or more, the contractor shall provide a unique item identifier. Please see DFARS clause 252.211-7003 for more information.

3. Are there any marking or documentation requirements, such as including the solicitation number on the package or packing slip?

At time of contract award, the awardee will be instructed to label packing slip and outside labels on packaging with the designated contract number.

4. Are there specific receiving hours or any appointment requirements for delivery at Camp Fogarty, Building 235?

These are the standard delivery instructions:

Our normal hours of operation are 7:00 AM to 5:00PM, Tuesday through Friday. DO NOT attempt to deliver on Mondays or holidays observed by the federal government. In the event that a Monday delivery is unavoidable, you must coordinate and obtain prior approval with an individual from this office. In addition, due to our compressed work schedule, any federal Government holiday that falls on a Monday is observed on the previous Friday. Therefore, DO NOT attempt to deliver on that Friday.
