(i) This is a combined synopsis/solicitation for commercial services, prepared in accordance with (IAW) part 12 of the FAR. This announcement constitutes the only solicitation. Offers are being requested and a separate written solicitation will not be issued. The NAICS code for this solicitation is 811310 and the Small Business Size Standard is $12.5 million. The resultant Purchase Order will be awarded on a brand name basis using Simplified Acquisition Procedures (SAP) IAW FAR 12.201.

Solicitation number 70Z04026Q51428B00 is issued as a Request for Quote (RFQ) for the repair of twelve (12) Cummins QSC 8.3 Engines. This is a brand name acquisition.

This acquisition is not set-aside for small business concerns. This solicitation incorporates provisions and clauses by reference. The full text of provision and clauses may be accessed electronically at www.acquisition.gov.

(ii)

Part Description	National Stock Number
Cummins QSC 8.3 Port Engine	2010-01-F25-7060
Cummins QSC 8.3 STBD Engine	2010-01-F25-7061

(iii) It is intended that a Purchase Order shall be awarded on a brand name basis to the Original Equipment Manufacturer (OEM), Cummins Inc., an entity within the Cummins network, or an OEM-certified repair facility as a result of this synopsis/solicitation to provide repair services for twelve (12) Cummins QSC 8.3 Engines. Engines that are onboard vessels and are found to have a major failure and require further evaluation shall be sent from the vessel to the OEM-certified contractor for required repair services to support the Cummins QSC 8.3 Engine systems currently installed on the United States Coast Guard (USCG) 47' Motor Life Boat (47 MLB) vessels. Each engine received by the OEM-certified contractor is to be inspected, reported, repaired, tested (including dynamometer testing), packed, and shipped in accordance with the Statement of Work (SOW) and Government specifications. See "Attachment 2 – Cummins QSC 8.3 Engine Repair SOW" for full details.

It is the Government's belief that only entities within the Cummins Inc. network, or OEM-certified repair facilities, have the required technical and engineering data and access to OEM parts required to successfully provide the required services.

(iv) The U.S. Coast Guard, Surface Forces Logistics Center (SFLC) intends to award a Firm-Fixed Price Purchase Order to the OEM, Cummins Inc., an entity within the Cummins network, or an OEM-certified repair facility as a result of this RFQ. This is a brand name requirement.

(v) The Government will award a Purchase Order to the offeror that provides the **lowest total evaluated price**.

(vi) The United States Coast Guard Surface Forces Logistics Center has a requirement for the following items:
