TECHNICAL READ LIBRARY INSTRUCTIONS
C-sUAS

A technical library relating to the subject area of this acquisition is available for review by Offerors during proposal preparation period.

(a) The library is located at Air Force Research Laboratory, Bldg. 3, Rome, New York. Access to the library is restricted to on-site review, an Offeror may take notes but may not make copies or remove any documents/data from the installation. Access scheduling may be gained by contacting Donna Toole, Area Code (315) 330-3972 least two business days in advance. The library technical data is subject to export control. Prior to review, Offeror must submit a copy of its approved DD Form 2345, "Military Critical Technical Data Agreement," along with a letter, on company letterhead, from the Data Custodian designated on that form, authorizing access by whomever will be reviewing the library. The DD Form 2345 and letter of authorization shall be submitted to ATTN: Donna Toole, Air Force Research Laboratory/RIGB, 525 Brooks Parkway, Rome NY 13441-4505. You may also email a PDF of the form and letter to Donna.toole.1@us.af.mil.

(b) IMPORTANT INSTRUCTIONS--Access to the Air Force Research Laboratory, Bldg 3, Rome, New York. For any contractor who intends to view the Technical Read Library IMMEDIATELY process the below, recommend you include 10-12 months for the period in which the visit is valid, the PM will coordinate the actual date and time (in accordance with the above para (a)):

i. JPAS is the preferred method for all visit requests. SMO Code: LK1MFSD15

ii. If JPAS is not available, use the RRS Form 31 and Instructions (attached).

iii. Notify the cognizant Program Manager (PM), Donna Toole at donna.toole.1@us.af.mil when actions are complete in order to prepare the pre-announcement for the gate. Notification to the PM shall include: Visitor Name (first and last), plus Plate # and State of the vehicle if privately owned or known.

(c) The Technical Read Library consists of the following documents:.
