NJSTART terminology is used throughout this document. See Bid Solicitation Section 2.1 for a crosswalk of **NJSTART** terminology to legacy terminology.

Please be advised that in accordance with P.L. 2018, c. 9, also known as the Diane B. For more information and report templates see <https://nj.gov/labor/equalpay/equalpay.html>.

1.1 PURPOSE AND INTENT

This Bid Solicitation {RFP} is issued by the Procurement Bureau, Division of Purchase and Property (Division), Department of the Treasury on behalf of the Office of the Attorney General (AG), Division of Consumer Affairs (DCA), and New Jersey State Board of Medical Examiners (Board). The purpose of this Bid Solicitation {RFP} is to solicit Quotes to provide professional assistance to medical doctors and doctors of osteopathy licensed by the Board who may be suffering from substance use or abuse disorders or other addictions or impairments.

The intent of this Bid Solicitation is to award a Master Blanket Purchase Order (Blanket P.O.) to that responsible Vendor {Bidder} whose Quote, conforming to this Bid Solicitation is most advantageous to the State, price and other factors considered. The State may award any and all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Blanket P.O. during the Blanket P.O. term, when deemed by the Director of the Division of Purchase and Property (Director) to be in the State's best interest.

The State of NJ Standard Terms and Conditions (SSTC) accompanying this Bid Solicitation will apply to all Blanket P.O.s made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this Bid Solicitation and should be read in conjunction with them unless the Bid Solicitation specifically indicates otherwise.

1.2 BACKGROUND

The Board is responsible for protecting the public's health and safety by determining qualifications of applicants for licensure, establishing standards for practice, and disciplining licensees who do not adhere to those requirements. Since the late 1800's, a license has been required to practice medicine in New Jersey. The Board, pursuant to the Medical Practice Act of 1894, was authorized to regulate the practice of medicine and surgery, including regulation of chiropractic. Today 12 physicians, one (1) podiatrist, three (3) public members, a certified nurse midwife, a licensed physician assistant, a bioanalytical laboratory director, the Commissioner of Health or his or her designee and a government liaison member -- all gubernatorial appointees -- serve on the Board (N.J.S.A. 45:9-1, N.J.S.A. 45:1-2.2).

Over the past 30 years, the role of the Board has been expanded to involve greater licensing responsibility for numerous and varied allied health providers, and in some instances professions once subject to Board jurisdiction have been removed from the ambit of Board responsibility. In 1983 the legislature created a separate Acupuncture Examining Board leaving the Board with only limited responsibility in this field (N.J.S.A. 45:2C-1). That same year, a totally independent State Board of Physical Therapy was established, removing physical therapists from the roster of health care professionals under Board oversight (N.J.S.A. 45:9-37.11). Again, in 1989, the legislature created a separate State Board of Chiropractic Examiners, transferring the regulation of chiropractic away from the Board (N.J.S.A. 45:9-41.17).

The statutory and regulatory schemes of the Board require that there is a Professional Assistance Program (Program) in place to monitor, identify and recommend treatment for medical doctors and doctors of osteopathy who display characteristics associated with substance use or abuse disorders or other addictions or impairments (N.J.S.A. 45:9-19.9 and 11-24.10; N.J.A.C. 13:35-11). Licensees currently participating in the current Board-approved Program must enter the Program resulting from this Bid Solicitation.

This is a reprourement of the services under Alternative to Discipline, Resolution Monitoring Program for State Boards, presently due to expire on April 3, 2019. Vendors {Bidders} interested in the current Blanket P.O. specifications and pricing information may review the current Blanket P.O. (T2740) at www.njstart.gov by following these steps:

Go to: www.njstart.gov

Select "Contract & Bid Search"

Select "Contracts/Blankets"

Under "Contract/Blanket Description" type in (T2740), Click "Find It"

The current Blanket P.O's will appear under "Results".

Vendors {Bidders} are cautioned that this new Bid Solicitation addresses current requirements and Quotes submitted will be evaluated solely in reference to the new Bid Solicitation, not the past/expiring one.

1.4 ADDITIONAL INFORMATION

1.4.1 BID AMENDMENTS: REVISIONS TO THIS BID SOLICITATION

In the event that it becomes necessary to clarify or revise this Bid Solicitation, such clarification or revision will be by Bid Amendment. Any Bid Amendment to this Bid Solicitation will become part of this Bid Solicitation and part of any Blanket P.O. awarded as a result of this Bid Solicitation.

There are no designated dates for release of Bid Amendments. Those Vendors {Bidders} who are on the bid holder list either through commodity code registration in [NJSTART](#) or by acknowledging the bid in [NJSTART](#) should receive notification of any Bid Amendment(s). If a Vendor {Bidder} is not on the bid holder list to receive notifications related to a Bid Solicitation, Bid Amendments are still viewable on the "Summary" page of the Bid Solicitation in [NJSTART](#).

BID AMENDMENTS WILL BE ISSUED AS FILE ATTACHMENTS, AND ARE VIEWABLE ON THE "SUMMARY" PAGE OF THE BID SOLICITATION IN [NJSTART](#). Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instructions. QRGs are located on the [NJSTART Vendor Support Page](#).

It is the sole responsibility of the Vendor {Bidder} to be knowledgeable of all Bid Amendments related to this procurement. An interested Vendor {Bidder} should check the [NJSTART](#) "Open Bids" Tab on a daily basis to ensure review of the most updated information.

1.4.2 VENDOR {BIDDER} RESPONSIBILITY

The Vendor {Bidder} assumes sole responsibility for the complete effort required in submitting a Quote in response to this Bid Solicitation. No special consideration will be given after Quotes are opened because of a Vendor's {Bidder's} failure to be knowledgeable as to all of the requirements of this Bid Solicitation.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a Vendor {Bidder} in the preparation and submittal of a Quote in response to this Bid Solicitation.

1.4.4 CONTENTS OF QUOTE

Quotes can be released to the public pursuant to [N.J.A.C. 17:12-1.2\(b\)](#) and (c), or under the New Jersey Open Public Records Act (OPRA), [N.J.S.A. 47:1A-1.1 et seq.](#), or the common law right to know.

After the opening of sealed Quotes, including Quotes submitted through the [NJSTART](#) electronic process, all information submitted by a Vendor {Bidder} in response to a Bid Solicitation is considered public information notwithstanding any disclaimers to the contrary submitted by a Vendor {Bidder}. Proprietary and confidential information may be exempt from public disclosure by OPRA and/or the common law. When the Bid Solicitation contains a negotiation component, the Quote will not be subject to public disclosure until a notice of intent to award a Blanket P.O. is announced.

As part of its Quote, a Vendor {Bidder} may designate any data or materials it asserts are exempt from public disclosure under OPRA and/or the common law, explaining the basis for such assertion. Vendor {Bidder} must provide a detailed statement clearly identifying those sections of the Quote that it claims are exempt from production, and the legal and factual basis that supports said exemption(s) as a matter of law. Please include a redacted copy of the Quote indicating the sections identified as confidential. **The State will not honor any attempts by a Vendor {Bidder} to designate its entire Quote as proprietary, confidential and/or to claim copyright protection for its entire Quote.**

The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the Vendor {Bidder} accordingly. Any proprietary and/or confidential information in a Quote will be redacted by the State. Copyright law does not prohibit access to a record which is otherwise available under OPRA.

In the event of any challenge to the Vendor's {Bidder's} assertion of confidentiality with which the State does not concur, the Vendor {Bidder} shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Vendor {Bidder}. The State assumes no such responsibility or liability.

A Vendor {Bidder} shall not designate any price lists and/or catalogs submitted as exempt from public disclosure as the same must be accessible to State Using Agencies and Cooperative Purchasing Program participants (if the Bid Solicitation has been extended to these participants) and thus must be made public to allow all eligible purchasing entities access to the pricing information.

In order not to delay consideration of the Quote or the State's response to a request for documents, the State requires that Vendor {Bidder} respond to any request regarding confidentiality markings within the timeframe designated in the State's correspondence regarding confidentiality. If no response is received by the designated date and time, the State will be permitted to release a copy of the Quote with the State making the determination regarding what may be proprietary or confidential.

1.4.5 ANNOUNCEMENT OF QUOTE INFORMATION

On the date and time Quotes are due under the Bid Solicitation, all information concerning the Quotes submitted may be publicly announced and shall be available for inspection and copying except as noted below:

- A. Information appropriately designated as proprietary and/or confidential shall not be available for inspection and copying; and
- B. Where negotiation is contemplated, only the names and addresses of the Vendors {Bidders} submitting Quotes will be announced, and the contents of the Quotes shall not be available for inspection and copying until the Notice of Intent to Award is issued by the Director.

1.4.6 PRICE ALTERATION IN QUOTES

Any price changes including hand written revisions or "white-outs" must be initialed. Failure to initial price changes shall preclude a Blanket P.O. award from being made to the Vendor {Bidder}.

1.4.7 QUOTE ERRORS

In accordance with N.J.A.C. 17:12-2.11 "Proposal errors," a Vendor {Bidder} may withdraw its Quote as described below.

1.4.7.1 QUOTE WITHDRAWAL PRIOR TO QUOTE OPENING

NJSTART: A Vendor {Bidder} may withdraw its Quote submission in **NJSTART** prior to the Quote opening; however, Vendors {Bidders} should note that while withdrawn **NJSTART** Quotes remain viewable by the Vendor {Bidder} on its Vendor Profile Homepage, they are removed from the Division's view and cannot be considered for Blanket P.O. award. The Vendor {Bidder} may submit a revised Quote as long as the Quote is received prior to the announced date and time for Quote submission. Vendors {Bidders} may refer to the QRG "Submit a Quote" for additional instruction. QRGs are located on the [NJSTART Vendor Support Page](#).

Hard Copy: A Vendor {Bidder} may request that its hard copy Quote be withdrawn prior to the Quote opening. Such request must be made, in writing, to the Supervisor of the Proposal Review Unit at the address provided in Section 1.4.7.2 below. The Vendor {Bidder} may submit a revised Quote as long as the Quote is received prior to the announced date and time for Quote submission and at the place specified.

1.4.7.2 QUOTE WITHDRAWAL AFTER QUOTE OPENING, BUT PRIOR TO BLANKET P.O. AWARD

NJSTART and Hard Copy: If, after the Quote opening, but before Blanket P.O. award, a Vendor {Bidder} discovers an error in its Quote, the Vendor {Bidder} may make a written request to the Supervisor of the Proposal Review Unit to withdraw its Quote from consideration for award. If the Vendor's {Bidder's} request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote beyond the loss of the benefit of the bargain to the State of the withdrawing Vendor's {Bidder's} offer, the request shall be granted. Evidence of the Vendor's {Bidder's} good faith in making this request can be demonstrated by one (1) or more of the following factors: A mistake is so significant that to enforce the Blanket P.O. resulting from the Quote would be unconscionable; that the mistake relates to a material feature or term of the Blanket P.O.; and that the mistake occurred notwithstanding the Vendor's {Bidder's} exercise of reasonable care. After Quote opening, while pursuant to the provisions of this section a Vendor {Bidder} may request to withdraw its Quote and the Director may in his/her discretion allow said Vendor {Bidder} to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a Vendor {Bidder} and take those prior requests to withdraw into consideration when evaluating the Vendor's {Bidder's} future Quotes.

All Quote withdrawal requests must include the Bid Solicitation identification number and the final Quote submission date and be sent to the following address:

Department of the Treasury
Division of Purchase and Property
PO Box 230
33 West State Street – 9th Floor
Trenton, New Jersey 08625-0039
Attention: Supervisor, Proposal Review Unit

If during a Quote evaluation process, an obvious pricing error made by a potential Blanket P.O. awardee is found, the Director or his/her designee shall issue written notice to the Vendor {Bidder}. The Vendor {Bidder} will have up to five (5) business days after receipt of the notice to confirm its pricing. If the Vendor {Bidder} fails to respond, its Quote shall be considered withdrawn, and no further consideration shall be given to it.

1.4.8 JOINT VENTURE

If a Joint Venture is submitting a Quote, the agreement between the parties relating to such Joint Venture should be submitted with the Joint Venture's Quote. Authorized signatories from each party comprising the Joint Venture must sign the Offer and Acceptance Page. Each party to the Joint Venture must individually comply with all the forms and certification requirements in Sections 4.4.1 and 4.4.2 of this Bid Solicitation.

1.4.9 RECIPROCITY FOR JURISDICTIONAL VENDOR {BIDDER} PREFERENCE

In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17:12-2.13, the State of New Jersey will invoke reciprocal action against an out-of-State Vendor {Bidder} whose state or locality maintains a preference practice for its in-state Vendors {Bidders}. The State of New Jersey will use the annual surveys compiled by the Council of State Governments, National Association of State Procurement Officials, or the National Institute of Governmental Purchasing or a State's statutes and regulations to identify States having preference laws, regulations, or practices and to invoke reciprocal actions.

The State of New Jersey may obtain additional information as it deems appropriate to supplement the stated survey information.

A Vendor {Bidder} may submit information related to preference practices enacted for a State or Local entity outside the State of New Jersey. This information may be submitted in writing as part of the Quote response, including name of the locality having the preference practice, as well as identification of the county and state, and should include a copy of the appropriate documentation, i.e., resolution, regulation, law, notice to Vendor {Bidder}, etc. It is the responsibility of the Vendor {Bidder} to provide documentation with the Quote or submit it to the Director within five (5) business days after the deadline for Quote submission. Written evidence for a specific procurement that is not provided to the Director within five (5) business days of the public Quote submission date may not be considered in the evaluation of that procurement, but may be retained and considered in the evaluation of subsequent procurements.

1.4.10 QUOTE ACCEPTANCES AND REJECTIONS

N.J.A.C. 17:12-2.7(d), the Director's right to waive minor irregularities or omissions in a Quote and N.J.A.C. 17:12-2.2 which defines causes for Quote rejection, apply to all Quotes.

1.4.11 ELECTRONIC SIGNATURES

Vendors {Bidders} submitting Quotes through **NJSTART** may sign the forms listed in Section 4.4.1 (Forms, Registrations and Certifications Required with Quote) and Section 4.4.2 (Forms, Registrations and Certifications Required Before Blanket P.O. Award and That Should Be Submitted with the Quote) of this Bid Solicitation electronically by typing the name of the authorized signatory in the "Signature" block as an alternative to downloading, physically signing the form, scanning the form, and uploading the form to **NJSTART**.

Vendors {Bidders} submitting Quotes in hard copy format, must provide forms with original, physical signatures, otherwise its Quote may be deemed non-responsive.

3.1.1 INITIAL SCREENING

The Vendor {Contractor} shall conduct inquiries within 24 hours of receipt of a referral, including weekends and holidays, to determine whether the information indicating a licensee's impairment is sufficiently reliable to warrant review. According to the Diagnostic and Statistical Manual of Mental Disorders (DSM), if the Vendor {Contractor} determines that the licensee is suffering from substance use or abuse disorders or other addictions or impairments, or it cannot determine that the subject licensee is not suffering from substance use or abuse disorders or other addictions or impairments, the Vendor {Contractor} must contact the Board's IRC within seven (7) calendar days of receipt of the referral so that the Board can conduct its own investigation.

Within seven (7) days of receipt of a referral, the Vendor {Contractor} shall provide the Executive Director of the Board with the name of the licensee so that the required Cross-check can be conducted against Board records.

Except with respect to those licensees referred by the Board, the Panel, the EB or the AG, the licensee's name shall not be disclosed and a code number shall be assigned. The preliminary narrative at a minimum, shall include:

- A. The nature of the substance use or abuse disorders or other addictions or impairments;

- D. Whether patients were harmed either directly or indirectly by the licensee's conduct or put at risk of harm;

(The preliminary narrative shall provide any available information concerning criminal charges, pending or resolved, and shall identify the steps undertaken to obtain that information, so that the IRC can determine

whether investigative support should be requested);

The Vendor's {Contractor's} preliminary narrative may recommend no further action if, after inquiry, there is insufficient information upon which to conclude that the licensee is suffering from a substance use or abuse disorders or other addictions or impairments. The Vendor {Contractor}, in writing, shall provide to the IRC the basis for its conclusion. The Vendor {Contractor} shall, at the request of the IRC, provide all available reports, discharge summaries and tests for review. Except with respect to those licensees referred by the Board, the Panel, the EB or the AG, the licensee's name shall be redacted from all reports, summaries and tests.

The Vendor {Contractor} shall make all necessary arrangements to facilitate a tailored monitoring regimen that provides for periodic, but unpredictable specimen collection which is consistent with general medical standards, to assure the validity of the samples and testing for, at a minimum, all substances related to the participant's history of substance abuse.

The Vendor's {Contractor's} Medical Director of the Program, as well as the clinical staff, are required to monitor each participant based on the appropriate standards within the industry for those that are recovering from addictions and/or personality issues. The Vendor {Contractor} should have the expertise to know industry standards and the monitoring requirements for each participant in the Program.

The Vendor {Contractor} shall ensure that the participant has periodic, regularized contact, including face-to-face meetings with the Medical Director and/or Clinical Staff to assess progress in recovery or at any time that the participant is subject to a monitoring regimen, or has tested positive, or has failed to adhere to the conditions of participation. Required meetings with the participants via secure video call or Skype in lieu of face-to-face is unacceptable. The frequency of such contacts shall be

determined by the Vendor {Contractor} based on the participant's stage and progress in recovery, but shall not occur less frequently than on a quarterly basis.

The Vendor {Contractor} shall conduct such reasonable supplemental inquiry as may be directed by the IRC, the Board, or the AG, to assist in making a determination whether substance use or abuse disorders or other addictions or impairments are present, and whether any circumstances exist which would make participation in the Program inappropriate for the licensee. In the event that the Executive Director's Cross-check or such supplemental inquiries reveal information that would provide a basis for a determination that continued participation in the Program would be inappropriate, disclosure of such information shall be provided immediately to the IRC.

The Vendor {Contractor} may submit one (1) bill for work performed under the Blanket P.O. upon completion of the Recommendation Report for each licensee.

3.2 LETTER OF AGREEMENT

The Vendor {Contractor} shall secure from each participant a signed letter of agreement, no later than 15 calendar days after the IRC's determination that participation is appropriate, bearing the participant's signature and memorializing consent to all the terms of participation. The Vendor's {Contractor's} Medical Director shall become a cosignatory to each participating licensee's letter of agreement in which the specific terms of participation, as approved by the IRC, are set forth. A copy of the letter of agreement, reflecting the participant's code number, shall be provided to the Executive Director of the Board within ten (10) calendar days of its receipt. If the participant was referred by the Board or otherwise known to that Board, the letter of agreement shall also reflect the participant's name. The letter of agreement, as well as any medical records, specimen reports, evaluations or other documentation shall be made available to the IRC upon request at any time that it is reviewing a participant's progress in rehabilitation. Except with respect to those licensees referred by the Board, the licensee's name shall be redacted from all reports, summaries and tests.

In the letter of agreement, the Vendor {Contractor} shall obtain from all participating licensees consent to provide or to authorize the release of all pertinent medical, psychiatric, personnel records or law enforcement records to the IRC upon request, as well as the licensee's consent to provide the letter of agreement and updates to any other state or jurisdiction in which he or she may be currently licensed or may seek licensure. The Vendor {Contractor} shall obtain from all participating licensees an acknowledgment that the licensee understands that upon a determination by the IRC that the licensee's continued confidential participation in the Program is not appropriate, all pertinent medical, psychiatric or personnel records, as well as the licensee's letter of agreement, will be provided to the Board.

The letter of agreements shall mandate that certain notice be provided to other jurisdictions if the licensee should elect to leave this State or should apply for initial licensure in another state, or in response to an inquiry from another state or regulatory agency or healthcare facility. In the event a licensee refuses to execute the letter of agreement after the determination is made by the IRC that participation in the Program is appropriate, the Vendor {Contractor} shall report to the Executive Director of the Board the licensee's refusal for potential disciplinary action. The Vendor {Contractor} shall notify the IRC, through the Executive Director of the Board, by the close of business of the next business day, of any failure of the potential licensee to execute the letter of agreement either through written or verbal response, or through behavior of an alteration of any of the terms of the letter of agreement or any rejection by the licensee. A copy of the letter of agreement that has been altered or amended, with the participant's name redacted if applicable, shall be provided to the Executive Director of the Board within two (2) business days after notification.

The Vendor {Contractor} shall promptly prepare all reports required pursuant to such letter of agreements and, as appropriate, coordinate the submission of any other documentation directed. Progress reports shall contain sufficient documentation or information so that the appropriate Committee and the affected Board can make informed decisions about the appropriateness of continued participation.

The Vendor {Contractor} shall notify the IRC within two (2) calendar days, through the Executive Director, and disclose the identity of the participating licensee if that licensee has:

- A. Not complied with any of the terms of the letter of agreement (for example, repeated unavailability when asked to submit to required specimen production);

- F. His or her status changed (for example, has been the subject of a disciplinary proceeding at a health care facility, had been arrested or has disappeared).

The Vendor {Contractor} shall, throughout the duration of the term of the Blanket P.O., and for seven (7) years after the termination of the Blanket P.O., maintain the letter of agreements and information relating to the licensee in a confidential manner, except that nothing herein shall preclude the Board, the IRC or the AG from requiring the production of such information as part of an independent investigation.

4.4.1.4 SMALL BUSINESS REGISTRATION FOR SET-ASIDE BLANKET P.O.

Not applicable to this procurement.

4.4.1.4.1 SMALL BUSINESS SET-ASIDE BLANKET P.O.

Not applicable to this procurement.

4.4.1.5 SMALL BUSINESS SUBCONTRACTING SET-ASIDE BLANKET P.O.

NOTE: THE VENDOR {BIDDER} SHALL NOT USE THE “SUBCONTRACTOR” TAB IN [NJSTART](#).

This is a Blanket P.O. with set-aside subcontracting goals for New Jersey Small Business Enterprises. As defined at [N.J.A.C. 17:13-1.2](#), "Small Business" means a business that is incorporated or registered in and has its principal place of business in the State of New Jersey, is independently owned and operated, and has no more than 100 full-time employees. For all goods and services contracts, the state has a goal of awarding at least 25 percent of the dollar value of its contracts to eligible small businesses. At least 10 percent shall be awarded to small businesses whose gross revenue does not exceed \$500,000 and at least 15 percent shall be awarded to small businesses whose gross revenue does not exceed \$12,000,000 or the applicable federal revenue standards established at 13 CFR 121.201. For design and construction contracts, the goal is to award 25 percent of the total contract value to either prime contractors or subcontractors that qualify

as small businesses with revenue that does not exceed the annual revenue standards established at 13 CFR 121.201.

The program places small businesses into the following categories:

For goods and services - (i) those with gross revenues not exceeding \$500,000; (ii) those with gross revenues not exceeding \$5,000,000; and (iii) those with gross revenues that do not exceed \$12,000,000 or the applicable federal revenue standards established at 13 CFR 121.201, whichever is higher. While companies registered as having revenues below \$500,000 can bid on any Blanket P.O., those earning more than the \$500,000 and \$5,000,000 amounts will not be permitted to bid on Blanket P.O.s designated for revenue classifications below its respective levels.

For construction services: (iv) those with gross revenues not exceeding \$3,000,000; (v) those with gross revenues that do not exceed 50 percent of the applicable annual revenue standards established at 13 CFR 121.201; and (vi) those with gross revenues that do not exceed the applicable annual revenue standards established at CFR 121.201. While companies registered as having revenues below \$3,000,000 can bid on any Blanket P.O., those earning more than the revenue standards established at CFR 121.201 will not be permitted to bid on Blanket P.O.s designated for revenue classifications below their respective levels.

If the Vendor {Bidder} intends to subcontract, it must submit a Subcontractor Utilization Plan and should take the following actions to achieve the set-aside subcontracting goal requirements:

- A. Attempt to locate eligible small businesses in Categories I, II, III, IV, V, and/or VI as appropriate to the Bid Solicitation;
- B. Request a listing of small businesses by Category from the New Jersey Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit;
- C. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
- D. Provide all potential Subcontractors with detailed information regarding the specifications;
- E. Attempt, whenever possible, to negotiate prices with potential Subcontractors submitting higher than acceptable price Quotes;
- F. Obtain, in writing, the consent of any proposed Subcontractor to use its name in response to the Bid Solicitation; and
- G. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Quotes should also contain a copy of the Division of Revenue and Enterprise Services, Small Business Registration and M/WBE Certification Services Unit's proof of registration as a small business for any business proposed as a Subcontractor; and documentation of the Vendor's {Bidder's} good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Proposal Review Unit of the Division to effectively assess the Vendor's {Bidder's} efforts to comply if the Vendor {Bidder} has failed to attain the statutory goals.

If the Vendor {Bidder} chooses to use Subcontractors and fails to meet the small business subcontracting targets set forth above, the Vendor {Bidder} must submit documentation demonstrating its good faith effort to meet the targets with its Quote or within seven (7) business days upon request.

NOTE: A VENDOR'S {BIDDER'S} FAILURE TO SATISFY THE SMALL BUSINESS SUBCONTRACTING TARGETS OR TO PROVIDE SUFFICIENT DOCUMENTATION OF ITS GOOD FAITH EFFORTS TO MEET THE TARGETS WITH THE QUOTE OR WITHIN SEVEN (7) BUSINESS DAYS UPON REQUEST SHALL PRECLUDE AWARD OF A BLANKET P.O. TO THE VENDOR {BIDDER}.

If awarded the Blanket P.O., the Vendor {Bidder} shall notify each Subcontractor listed in the Plan, in writing.

Each Vendor {Bidder} awarded a Blanket P.O. for a procurement which contains the set-aside subcontracting goal requirement shall fully cooperate in any studies or surveys which may be conducted by the State to determine the extent of the Vendor's {Bidder's} compliance with N.J.A.C. 17:13-1.1 et seq., and this Bid Solicitation.

To facilitate the Quote evaluation and Blanket P.O. award process, the Vendor {Bidder} should submit a copy of its valid BRC and those of any named Subcontractors with its Quote. See Section 2.1 of the SSTC.

Any Vendor {Bidder}, inclusive of any named Subcontractors, not having a valid business registration at the time of the Quote opening, or whose BRC was revoked prior to the submission of the Quote, should proceed immediately to register its business or seek reinstatement of a revoked BRC. Vendors {Bidders} should verify its BRC status on the "Maintain Terms and Categories" Tab within its profile in **NJSTART**. In the event of an issue with a Vendor's {Bidder's} BRC, **NJSTART** provides a link to take corrective action.

The Vendor {Bidder} is cautioned that it may require a significant amount of time to secure the reinstatement of a revoked BRC. The process can require actions by both the Division of Revenue and Enterprise Services and the Division of Taxation. For this reason, a Vendor's {Bidder's} early attention to this requirement is highly recommended. The Vendor {Bidder} and its named Subcontractors may register with the Division of Revenue and Enterprise Services, obtain a copy of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A Vendor {Bidder} otherwise identified by the Division as a responsive and responsible Vendor {Bidder}, inclusive of any named Subcontractors, but that was not business registered at the time of submission of its Quote must be so registered and in possession of a valid BRC by a deadline to be specified in writing by the Division. A Vendor {Bidder} failing to comply with this requirement by the deadline specified by the Division will be deemed ineligible for Blanket P.O. award. Under any circumstance, the Division will rely upon information available from computerized systems maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A Vendor {Bidder} receiving a Blanket P.O. award as a result of this procurement and any Subcontractors named by that Vendor {Bidder} will be required to maintain a valid business registration with the Division of Revenue and Enterprise Services for the duration of the executed Blanket P.O., inclusive of any Blanket P.O. extensions.

The Vendor {Bidder} must submit all requested pricing information on the State-supplied Price Sheet/Schedule attachment accompanying this Bid Solicitation. The Vendor {Bidder} must provide an all-inclusive firm fixed price per licensee for all price lines, years one (1) through five (5), using the State-Supplied Price Sheet/Schedule.

Failure to submit all information required will result in the Quote being considered non-responsive. Each Vendor {Bidder} is required to hold its prices firm through issuance of Blanket P.O.

In the event that a Vendor {Bidder} using [NJSTART](#) to submit a Quote uploads a State-Supplied Price Sheet and completes the "Items" Tab in [NJSTART](#) (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

4.4.5.3 USE OF "NO BID" VERSUS "NO CHARGE" ON THE STATE-SUPPLIED PRICE SHEET

If the Vendor {Bidder} is not submitting a price for an item on a price line, the Vendor {Bidder} must indicate "No Bid" on the State-Supplied Price Sheet accompanying this Bid Solicitation. If the Vendor {Bidder} will supply an item on a price line free of charge, the Vendor {Bidder} must indicate "No Charge" on the State-Supplied Price Sheet accompanying this Bid Solicitation. The use of any other identifier may result in the Vendor's {Bidder's} Quote being deemed non-responsive.

4.4.5.4 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Bid Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in Quotes shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). Quotes submitted other than 30 calendar days ARO/F.O.B. may be deemed non-responsive. The Vendor {Contractor} shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. 30 calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the Vendor's {Contractor's} convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

4.4.5.5 COLLECT ON DELIVERY (C.O.D.) TERMS

C.O.D. terms are not acceptable as part of a Quote and shall be deemed non-responsive.

4.4.5.6 CASH DISCOUNTS

The Vendor {Bidder} is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the price rankings of Quotes.

Should the Vendor {Bidder} choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

4.4.6 COOPERATIVE PURCHASING PROGRAM

Not applicable to this procurement.

4.4.7 ORAL PRESENTATIONS

Not applicable to this procurement.

5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS APPLICABLE TO THE BLANKET P.O.

In the event of a conflict in the terms and conditions among the documents comprising this Blanket P.O., the order of precedence, for purposes of interpretation thereof, listed from highest ranking to lowest ranking, shall be:

- A. Executed Offer and Acceptance Page;
- B. Bid Solicitation Section 5, as may be amended by Bid Amendment;
- C. The State of NJ Standard Terms and Conditions (SSTC) accompanying this Bid Solicitation;
- D. All remaining sections of the Bid Solicitation, as may be amended by Bid Amendment;
- E. The Vendor's {Contractor's} final submitted Best and Final Offer; and
- F. The Vendor's {Contractor's} Quote as accepted by the State.

Note: In the event of conflicting information between the Bid Solicitation and fields contained in **NJSTART**, the Bid Solicitation will govern and **NJSTART** will be updated via Bid Amendment or Change Order.

5.2 BLANKET P.O. TERM AND EXTENSION OPTION

The base term of this Blanket P.O. shall be for a period of five (5) years. The anticipated "Blanket P.O. Effective Date" is provided on the "Summary" page the Bid Solicitation in **NJSTART**. If delays in the procurement process result in a change to the anticipated Blanket P.O. Effective Date, the Vendor {Bidder} agrees to accept a Blanket P.O. for the full term of this Blanket P.O.

This Blanket P.O. may be extended up to two (2) years with no single extension exceeding one (1) year, by the mutual written consent of the Vendor {Contractor} and the Director at the same terms, conditions, and pricing at the rates in effect in the last year of this Blanket P.O. or rates more favorable to the State.

5.3 BLANKET P.O. TRANSITION

In the event that a new Blanket P.O. has not been awarded prior to this Blanket P.O. expiration date, including any extensions exercised, and the State exercises this Blanket P.O. transition, the Vendor {Contractor} shall continue this Blanket P.O. under the same terms, conditions, and pricing until a new Blanket P.O. can be completely operational. At no time shall this transition period extend more than 180 days beyond the expiration date of this Blanket P.O., including any extensions exercised.

5.4 CHANGE ORDER

Any changes or modifications to the terms of this Blanket P.O. shall be valid only when they have been reduced to writing and signed by the Vendor {Contractor} and the Director.

5.5 VENDOR {CONTRACTOR} RESPONSIBILITIES

The Vendor {Contractor} shall have sole responsibility for the complete effort specified in this Blanket P.O. Payment will be made only to the Vendor {Contractor}. The Vendor {Contractor} shall have sole responsibility for all payments due any Subcontractor.

The Vendor {Contractor} is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under this Blanket P.O. The Vendor {Contractor} shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this Blanket P.O. shall not in any way relieve the Vendor {Contractor} of responsibility for the technical adequacy of its work. The review, approval, acceptance or payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the Vendor's {Contractor's} performance of this Blanket P.O.

5.6 SUBSTITUTION OF STAFF

If it becomes necessary for the Vendor {Contractor} to substitute any management, supervisory or key personnel, the Vendor {Contractor} shall identify the substitute personnel and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution. Resumes must be submitted evidencing that the individual(s) proposed as substitute(s) have qualifications and experience equal to or better than the individual(s) originally proposed or currently assigned.

The Vendor {Contractor} shall forward a request to substitute staff to the State Contract Manager for consideration and approval. No substitute personnel are authorized to begin work until the Vendor {Contractor} has received written approval to proceed from the State Contract Manager.

5.7 SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)

This Subsection serves to supplement but not to supersede Sections 5.8 and 5.9 of the SSTC accompanying this Bid Solicitation.

The Vendor {Contractor} shall forward a written request to substitute or add a Subcontractor or to substitute its own staff for a Subcontractor to the State Contract Manager for consideration. If the State Contract Manager approves the request, the State Contract Manager will forward the request to the Director for final approval. No substituted or additional Subcontractors are authorized to begin work until the Vendor {Contractor} has received written approval from the Director.

If it becomes necessary for the Vendor {Contractor} to substitute a Subcontractor, add a Subcontractor, or substitute its own staff for a Subcontractor, the Vendor {Contractor} will identify the proposed new Subcontractor or staff member(s) and the work to be performed. The Vendor {Contractor} must provide detailed justification documenting the necessity for the substitution or addition.

The Vendor {Contractor} must provide detailed resumes of its proposed replacement staff or of the proposed Subcontractor's management, supervisory, and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the Subcontractor is to undertake.

The qualifications and experience of the replacement(s) must equal or exceed those of similar personnel proposed by the Vendor {Contractor} in its Quote.

5.8 OWNERSHIP OF MATERIAL

A. State Ownership of Data

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of this Blanket P.O., including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the services required under this Blanket P.O. shall be and remain the property of the State of New Jersey and shall be delivered to the State of New Jersey upon 30 days' notice by the State.

B. Intellectual Property Rights in Deliverables – Excluding Software

1. If the Vendor {Bidder} anticipates using pre-existing intellectual property ("Background IP") within the deliverables called for under the Blanket P.O., the Background IP must be identified in the Quote. If the Vendor {Bidder} identifies such Background IP in its Quote, then the Background IP owned by the Vendor {Bidder} on the date of this Blanket P.O. and any modifications or adaptations thereto remain the property of the Vendor {Bidder}.
2. If in the course of performance of the Blanket P.O., Vendor {Contractor} encounters a need to incorporate Background IP into a deliverable, but the Background IP was not identified in the Quote, the Vendor {Contractor} must notify the State Contract Manager in writing, identifying the specific Background IP to be incorporated into the deliverable, and requesting approval thereof. Where approval is granted in writing, the Background IP owned by the Vendor {Contractor} as well as any modifications or adaptations thereto remain the property of the Vendor {Contractor}. If approval is not granted, the parties will negotiate mutually acceptable intellectual property rights to accomplish the State's goals for the affected deliverable(s).
3. The Vendor {Bidder/Contractor} grants the State a nonexclusive, irrevocable, royalty free license to use the Vendor's {Bidder's/Contractor's} Background IP delivered to the State for the purposes contemplated by this Blanket P.O.
4. Vendor {Bidder/Contractor} software computer programs and other methodologies used by Vendor {Bidder/Contractor} in the preparation of deliverables called for under the Blanket P.O., but not incorporated into the deliverable itself do not need to be identified as Background IP, and the Vendor {Contractor} retains all ownership therein, as applicable.

C. Intellectual Property Rights in Software Deliverables

1. Where the Blanket P.O. requires the development and delivery of software computer programs, the State requires only the rights necessary to accomplish the purposes of the software as set forth in the Bid Solicitation. Accordingly, unless the Bid Solicitation requires Vendors {Contractors} to provide full ownership of the software computer programs, the Vendor {Bidder} proposing commercial off the shelf software, or customized/configured commercial off the shelf software (collectively "COTS") may license the COTS to the State on the same terms customarily provided to the public, provided that the license customarily provided to the public is:
 - a. included within the Quote; and
 - b. sufficient to meet the State's needs as set forth in the Bid Solicitation.
2. A license customarily provided to the public will necessarily include terms and conditions that conflict with the Bid Solicitation. Accordingly, where a license agreement is included with the Quote pursuant to the terms of this section, the Vendor {Bidder} by including the license agreement with its Quote, expressly agrees that terms within the Vendor's {Bidder's} license agreement regarding indemnification, limitation of liability, choice of law, governing law, and confidentiality which conflict with the terms of the Blanket P.O. and are void and have no effect. The State expressly reserves the right to negotiate all other terms and conditions of the license agreement.

3. Where the Bid Solicitation advises that the State seeks full ownership of the computer software program, the work shall be considered “work for hire”, i.e., the State, not the Vendor {Contractor} or Subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed for or are a result of the services required under this Blanket P.O. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Blanket P.O., Vendor {Contractor} or Subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

5.9 SECURITY AND CONFIDENTIALITY

5.9.1 DATA CONFIDENTIALITY

All financial, statistical, personnel, customer and/or technical data supplied by the State to the Vendor {Contractor} are confidential (State Confidential Information). The Vendor {Contractor} must secure all data from manipulation, sabotage, theft or breach of confidentiality. The Vendor {Contractor} is prohibited from releasing any financial, statistical, personnel, customer and/or technical data supplied by the State that is deemed confidential. Any use, sale, or offering of this data in any form by the Vendor {Contractor}, or any individual or entity in the Vendor's {Contractor's} charge or employ, will be considered a violation of this Blanket P.O. and may result in Blanket P.O. termination and the Vendor's {Contractor's} suspension or debarment from State contracting. In addition, such conduct may be reported to the State Attorney General for possible criminal prosecution.

The Vendor {Contractor} shall assume total financial liability incurred by the Vendor {Contractor} associated with any breach of confidentiality.

When requested, the Vendor {Contractor} and all project staff including its Subcontractor(s) must complete and sign confidentiality and non-disclosure agreements provided by the State. The Vendor {Contractor} may be required to view yearly security awareness and confidentiality training modules provided by the State. Where required, it shall be the Vendor's {Contractor's} responsibility to ensure that any new staff sign the confidentiality agreement and complete the security awareness and confidentiality training modules within one (1) month of the employees' start date.

The State reserves the right to obtain, or require the Vendor {Contractor} to obtain, criminal history background checks from the New Jersey State Police for all Vendor {Contractor} and project staff (to protect the State of New Jersey from losses resulting from Vendor {Contractor} employee theft, fraud or dishonesty). If the State exercises this right, the results of the background check(s) must be made available to the State for consideration before the employee is assigned to work on the State's project. Prospective employees with positive criminal backgrounds for cyber-crimes will not be approved to work on State Projects. Refer to the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-12, An Introduction to Computer Security: The NIST Handbook, Section 10.1.3, Filling the Position – Screening and Selecting.

- B. By virtue of this Blanket P.O., the parties may have access to information that is confidential to one another. The parties agree to disclose to each other only information that is required for the performance of their obligations under this Blanket P.O. Vendor's {Contractor's} Confidential Information, to the extent not expressly prohibited by law,

shall consist of all information clearly identified as confidential at the time of disclosure and anything identified in Vendor's {Contractor's} Quote as Background IP ("Vendor {Contractor} Confidential Information"). Notwithstanding the previous sentence, the terms and pricing of this Blanket P.O. are subject to disclosure under OPRA, the common law right to know, and any other lawful document request or subpoena;

- C. A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party;
- D. The State agrees to hold Vendor's {Contractor's} Confidential Information in confidence, using at least the same degree of care used to protect its own Confidential Information;
- E. In the event that the State receives a request for Vendor {Contractor} Confidential Information related to this Blanket P.O. pursuant to a court order, subpoena, or other operation of law, the State agrees, if permitted by law, to provide Vendor {Contractor} with as much notice, in writing, as is reasonably practicable and the State's intended response to such order of law. Vendor {Contractor} shall take any action it deems appropriate to protect its documents and/or information;
- F. In addition, in the event Vendor {Contractor} receives a request for State Confidential Information pursuant to a court order, subpoena, or other operation of law, Vendor {Contractor} shall, if permitted by law, provide the State with as much notice, in writing, as is reasonably practicable and Vendor's {Contractor's} intended response to such order of law. The State shall take any action it deems appropriate to protect its documents and/or information; and
- G. Notwithstanding the requirements of nondisclosure described in these Sections 5.9.1 and 5.9.1.1, either party may release the other party's Confidential Information:
 - (i) if directed to do so by a court or arbitrator of competent jurisdiction; or
 - (ii) pursuant to a lawfully issued subpoena or other lawful document request:
 - (a) in the case of the State, if the State determines the documents or information are subject to disclosure and Vendor {Contractor} does not exercise its rights as described in Section 5.9.1.1(E), or if Vendor {Contractor} is unsuccessful in defending its rights as described in Section 5.9.1.1(E); or
 - (b) in the case of Vendor {Contractor}, if Vendor {Contractor} determines the documents or information are subject to disclosure and the State does not exercise its rights described in Section 5.9.1.1(F), or if the State is unsuccessful in defending its rights as described in Section 5.9.1.1(F).

6.1 RIGHT TO WAIVE

Pursuant to N.J.A.C. 17:12-2.7(d) the Director may waive minor irregularities or omissions in a Quote. The Director also reserves the right to waive a requirement provided that the requirement does not materially affect the procurement or the State's interests associated with the procurement.

The State reserves the right to inspect the Vendor's {Bidder's} establishment before making an award, for the purposes of ascertaining whether the Vendor {Bidder} has the necessary facilities for performing the Blanket P.O.

The State may also consult with clients of the Vendor {Bidder} during the evaluation of Quotes. Such consultation is intended to assist the State in making a Blanket P.O. award that is most advantageous to the State.

6.4 CLARIFICATION OF QUOTE / STATE'S RIGHT TO REQUEST FURTHER INFORMATION

After the submission of Quotes, unless requested by the State as noted below, Vendor {Bidder} contact with the State is not permitted.

After the Quotes are reviewed, one (1), some or all of the Vendors {Bidders} may be asked to clarify certain aspects of its Quote. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Further, the Director reserves the right to request a Vendor {Bidder} to explain, in detail, how the Quote price was determined.

6.5 QUOTE EVALUATION COMMITTEE

Quotes may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. 6.6 ORAL PRESENTATION

Not applicable to this procurement.

6.7 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate Quotes received in response to this Bid Solicitation. The evaluation criteria

categories may be used to develop more detailed evaluation criteria to be used in the evaluation process.

6.7.1 TECHNICAL EVALUATION CRITERIA

Each criterion will be scored and each score multiplied by a predetermined weight to develop the Technical Evaluation Score.

- A. Personnel: The qualifications and experience of the Vendor's {Bidder's} management, supervisory, and key personnel assigned to the Blanket P.O., including the candidates recommended for each of the positions/roles required;
- B. Experience of firm: The Vendor's {Bidder's} documented experience in successfully completing Blanket P.O. of a similar size and scope in relation to the work required by this Bid Solicitation; and
- C. Ability of firm to complete the Scope of Work based on its Technical Quote: The Vendor's {Bidder's} demonstration in the Quote that the Vendor {Bidder} understands the requirements of the Scope of Work and presents an approach that would permit successful performance of the technical requirements of the Blanket P.O.

6.7.2 VENDOR'S {BIDDER'S} STATE-SUPPLIED PRICE SHEET

The Bureau will utilize a weighted consumption/market basket model to evaluate pricing. The pricing model will be date-stamped and entered into the record before Quote opening.

6.7.3 QUOTE DISCREPANCIES

In evaluating Quotes, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

In the event that a Vendor {Bidder} using **NJSTART** to submit a Quote uploads a State-Supplied Price Sheet and completes the "Items" Tab in **NJSTART** (instead of entering a Unit Cost of \$1.00 as instructed), the State-Supplied Price Sheet will govern.

6.7.4 EVALUATION OF THE QUOTES

After the Evaluation Committee completes its evaluation, it recommends to the Director for award the responsible Vendor(s) {Bidder(s)} whose Quote, conforming to this Bid Solicitation, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, and other factors during the evaluation process and makes a recommendation to the Director. The Director may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected Vendor {Bidder}.

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

In accordance with N.J.S.A. 52:34-12(f) and N.J.A.C. 17:12-2-7, after evaluating Quotes, the Bureau may establish a competitive range and enter into negotiations with one (1) Vendor {Bidder} or multiple Vendors {Bidders} within this competitive range. The primary purpose of negotiations

is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one (1) Vendor {Bidder} or multiple Vendors {Bidders}. Negotiations will be structured by the Bureau to safeguard information and ensure that all Vendors {Bidders} are treated fairly.

Similarly, the Bureau may invite one (1) Vendor {Bidder} or multiple Vendors {Bidders} to submit a Best and Final Offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that does not result in more advantageous pricing to the State will not be considered, and the State will evaluate the Vendor's {Bidder's} most advantageous previously submitted pricing.

If required, after review of the BAFO(s), clarification may be sought from the Vendor(s) {Bidder(s)}. The Division may conduct more than one (1) round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of Quotes and as applicable, negotiation(s), and/or BAFO(s), the Bureau will recommend, to the Director, the responsible Vendor(s) {Bidder(s)} whose Quote(s), conforming to the Bid Solicitation, is/are most advantageous to the State, price, and other factors considered. The Director may accept, reject or modify the recommendation of the Bureau. The Director may initiate additional negotiation or BAFO procedures with the selected Vendor(s) {Bidder(s)}.

Negotiations will be conducted only in those circumstances where it is deemed by the Bureau or Director to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the Vendor {Bidder} is advised to submit its best technical and price Quote in response to this Bid Solicitation since the State may, after evaluation, make a Blanket P.O. award based on the content of the initial submission, without further negotiation and/or BAFO with any Vendor {Bidder}.

All contacts, records of initial evaluations, any correspondence with a Vendor {Bidder} related to any request for clarification, negotiation or BAFO, any revised technical and/or price Quotes, and related documents will remain confidential until a Notice of Intent to Award a Blanket P.O. is issued.

If the Bureau contemplates negotiation, Quote prices will not be publicly read at the Quote opening. Only the name and address of each Vendor {Bidder} will be publicly announced at the Quote opening.

6.9 "REQUEST FOR REVISION" WITHIN [NJSTART](#)

The State may request a revision of the Vendor's {Bidder's} Quote within [NJSTART](#). The Vendor {Bidder} shall respond to the "Request for Revision" (e.g., to reduce pricing if a BAFO is requested) only for the reason(s) identified by the State. Any changes made by a Vendor {Bidder} to the Quote other than as requested by the State shall be considered null and void.

6.10 POOR PERFORMANCE

A Vendor {Bidder} with a history of performance problems may be bypassed for consideration of an award issued as a result of this Bid Solicitation. The following materials may be reviewed to determine Vendor {Bidder} performance: Blanket P.O. cancellations for cause pursuant to Section 5.7(b) of the SSTC; information contained in Vendor performance records; information obtained from audits or investigations conducted by a local, state or federal agency of the Vendor's {Bidder's} work experience; current licensure, registration, and/or certification status and relevant history thereof; or its status or rating with established business/financial reporting services, as applicable. 7.2 EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under

this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain

from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

7.3 DAVIS-BACON ACT, 40 U.S.C. 3141-3148, AS AMENDED

When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

7.4 CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, 40 U.S.C. 3701-3708

Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.5 RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7.6 CLEAN AIR ACT, 42 U.S.C. 7401-7671Q, AND THE FEDERAL WATER POLLUTION CONTROL ACT, 33 U.S.C. 1251-1387, AS AMENDED

Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act

as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7.7 DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689)

A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

7.8 BYRD ANTI-LOBBYING AMENDMENT, 31 U.S.C. 1352

Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the

individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

EXECUTIVE ORDER NO. 151 REQUIREMENTS

It is the policy of the Division of Purchase and Property that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property's satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property's contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.
