52.217-8 Option to Extend Services. (Nov 1999)

Option to Extend Services (Nov 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 60 days.

(End of clause)

52.217-9 Option to Extend the Term of the Contract. (Mar 2000)

Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 60 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years and 6 months.

252.204-7017 Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services-Representation. (May 2021)

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at https://www.sam.gov for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [ ] will [ ] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government

Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

(End of provision)

Evaluation Factors for Award

1. Past Performance: Limited to no more than 3 contracts listed. Only references for past efforts/contracts of relevance desired. Please utilize Attachment 3_Past Performance List of References.
2. Past Performance: The government will evaluate the quality and extent of offeror's performance deemed relevant to the requirements of this solicitation. Provide a list of no more than three (3), of the most relevant contracts performed for Federal agencies and commercial customers within the last three years. Relevant contracts include support services similar to the requirements of the PWS. The evaluation of past performance information will consider past performance information regarding predecessor companies and key personnel who have experience relevant to the current acquisition. Furnish the following information for each contract referenced:
   2a. Company/Division name
   2b. Contracting Agency/Customer
   2c. Contract Number
   2d. Contract Dollar Value
   2e. Period of Performance
3. Verified, up-to-date name, address, and telephone number of the contracting officer.
4. The Government will use information submitted by the offeror and other sources such as other Federal Government offices, state and municipal offices, and commercial sources, to assess performance. If no Past Performance is available, the offeror may not be evaluated favorably or unfavorably on past performance.
5. Pricing: Please include a completed pricing sheet, utilize Attachment 1_Price List.
6. Complete the pricing breakdown and include pricing for all elements. It is imperative the mathematic calculations are correct. Numerical rounding shall be limited to only two decimal places.
7. Evaluation Factors and Basis of Award: Award will be made to the offeror whose proposal represents the best value to the Government, price and other factors considered.

The following factors shall be used to evaluate offers:

1. Technical Capability
2. Price
3. Past Performance
4. Technical Capability - Technical capability of the service provided to meet the Government requirement in accordance with the Statement of Work. The vendor shall provide a detailed description and specification of the items included in the proposal. The information submitted must be sufficient for the Government to assess the technical capability of these items to fulfill the same or similar end results as the solicited specifications.
5. Price: The proposals will be ranked according to their total proposed price.
   - All pricing will be evaluated for completeness, reasonableness, and accuracy using procedures including but not limited to those found in FAR 15.404. Failure to provide complete pricing may cause the Government to determine that the offer is nonresponsive. Certified cost or pricing information is not being requested and will not be considered. If unique and innovative approaches are the basis for an atypically priced estimate, the nature of these approaches and their impact on price must be completely documented. The burden of proof lies with the contractor. THE GOVERNMENT RESERVES THE RIGHT TO AWARD THIS SOLICITATION WITH, OR WITHOUT CLARIFICATIONS/EXCHANGES AND/OR REQUEST OF BEST AND FINAL OFFERS.
6. Past Performance: The Government will evaluate past performance on an Acceptable or Unacceptable basis. The Contracting Office shall evaluate recent and relevant past performance information on the offeror's ability to successfully perform the requirement based on 1) past performance data submitted by the contractor, and 2) data independently obtained from other Government and commercial sources. Relevant performance includes those contracts that showcase the offeror's ability to perform requirements similar in scope to the requirements of the PWS. Recent performance includes those contracts that were performed for any customer within the last three (3) years from the issuance of this RFP.
7. Submissions shall be submitted via email. Proposals must be completed and submitted no later than the exact time set for receipt of proposals. Hand carried proposals will not be accepted due to security measures/time constraints. The offeror must ensure Government receipt. Late proposals will be processed in accordance with FAR 52.212-1(f) "Late submission, modifications, revisions, and withdrawals of offers".
8. THE GOVERNMENT RESERVES THE RIGHT TO AWARD THIS SOLICITATION WITH, OR WITHOUT CLARIFICATION/EXCHANGES AND/OR REQUEST OF BEST AND FINAL OFFERS.
