SOURCES SOUGHT:
A065087 – WOC ENTRY ACCESS SYSTEM
Notice Type: Sources Sought

1. Notice: This is not a solicitation but rather a Sources Sought to determine potential sources for information and planning purposes only

1.1 The purpose of this Sources Sought is to conduct market research to determine if responsible sources exist, to assist in determining if this effort can be competitive and/or a total Small Business Set-aside. The NAICS is "561621", "Security Systems Services (except Locksmiths)" with a small business size standard of $25,000,000.00. The Government will use this information to determine the best acquisition strategy for this procurement. The Government is interested in all small businesses to include 8(a), Service-Disabled Veteran-Owned, Hubzone, and Women owned small business concerns. The Government requests that interested parties respond to this notice if applicable and identify your small business status to the identified NAICS code. Additionally, please provide any anticipated teaming arrangements, along with a description of similar services offered to the Government and to commercial customers for the past three years. Any responses involving teaming should delineate between the work that will be accomplished by the prime and the work accomplished by the teaming partners.

1.2 Below is a document containing a description of services requirement and a Contractor Capability Survey, which allows you to provide your company's capability.

1.3 If the Government decides to conduct procurement as a result of the market research, a separate pre-solicitation synopsis of that procurement will be posted to SAM.gov. Interested companies are requested to submit a summary outline of their qualifications to conduct integrated water sediment removal services at Malmstrom AFB. References to vendor web pages will not be accepted.

1.4 **Please note that we cannot return your submissions to you.**

1.5 Small businesses are encouraged to participate in this Market Research.

2. This request for Sources Sought is for planning purposes only and shall not be considered an invitation for bid, request for quotation, request for proposal, or obligation on the part of the Government to acquire any products or material. No contract award will be made as a result of this sources sought synopsis. This information is provided to the government at no cost.

REQUIREMENTS DESCRIPTION

3. The contractor is required to upgrade the security for the Wing Operations Center's controlled access area. The project includes installing new RFID/PIN pad entry systems, video cameras, intercoms, and duress alarms at multiple locations. The contractor is also responsible for providing a card coding system, removing all old equipment, and completing the work according to a Statement of Work.
