This map product was developed for official federal government business purposes and was not reviewed for compliance with National Map Accuracy Standards nor the FGDC Geospatial Positioning Accuracy Standards. The geodetic accuracy and precision of the basemap data contained in this map was developed primarily to National Map Accuracy Standards at 1:50 scale with an assumed horizontal accuracy of +/- 12.8 ft and a vertical accuracy of +/- 5.0 ft.

This map product has not been developed or verified by a professional licensed land surveyor and should not be or is intended to be used in matters requiring cadastral (delineation and/or location of real ground horizontal and/or vertical control). Some subject points, lines and areas may be approximate.
