The anticipated Request for Quotation (RFQ) number FA2521-26-Q-B090 shall be used to reference any written responses to this notice.

Patrick Space Force Base anticipates a requirement being considered for a small business set-aside program. The proposed North American Industry Classification Systems (NAICS) Code is 333996, The size standard for this proposed NAICS is 1,250 employees.

Description: This requirement is for the procurement of a new, factory-assembled, 125 HP 4300 Vertical Inline Pump (Armstrong). The unit shall be a complete, fully operational system. The system must include all necessary items listed within attached Salient Characteristics.

Please reference attached Salient Characteristics-DRAFT.

Include in your capabilities package your DUNS, Cage Code, System for Award Management (SAM) registration expiration date, GSA contract number and expiration date (if applicable). Moreover, we are requesting interested companies to propose a pricing schedule that can be utilized in a potential solicitation for the requirement.

45 CONS is interested in any size business that is capable of meeting this requirement.

Market research is being conducted to determine interest, capability, and socio-economic category of potential sources for the requirement. The government requests interested parties submit a brief description of their company's business size (i.e. annual revenues and employee size), business status (i.e., 8(a), Historically Underutilized Business Zone, or SDVOSB, WOSB, EDWOSB, or small business) anticipated teaming arrangements, and a description of similar services offered to the Government and to commercial customers.

Any responses involving teaming agreements should delineate between the work that will be accomplished by the prime and the work accomplished by the teaming partners. The Government will use this information in determining its small business set-aside decision.

As stipulated in RFO 15.101, responses to this notice are not considered offers and cannot be accepted by the Government to form a binding contract. No solicitation exists;

therefore, do not request a copy of the solicitation. The decision to solicit for a contract shall be solely within the Government's discretion.

All interested firms should submit a capabilities package that outlines the firm's capabilities in providing the required services. Contractor is required to provide all management and labor required for the operation and management of the required services. Include no more than three past references with contact information and a contract number. The capabilities package should be brief and concise, yet clearly demonstrate an ability to meet the stated requirements. Responses should not exceed 5 pages.

ATTENTION: Although this is a Sources Sought notice only, interested parties or potential contractors must be registered with the System for Award Management (SAM) to be eligible for contract award or payment if the Government chooses to make an award. Information on registration and annual confirmation requirements may be obtained via http://www.sam.gov

Please submit the information electronically by 12:00 PM Eastern on 1 July 2026 and reference RFQ # FA2521-26-Q-B090 to the following: cynthia.whittaker@spaceforce.mil and jeffrey.brawner.3@spaceforce.mil.
