Instructions to the Offeror

Technical Quote:

The technical quote shall include at a minimum the Request for Quote (RFQ), Offeror’s name and address, point of contact (phone number and e-mail), and the Offeror’s Dun and Bradstreet Number (DUNS), and Cage Code Number. The Offeror shall make a clear statement in their quote that the quote is valid for no less than 30 calendar days from the closing date of the RFQ. The Offeror shall sign the quote. The Offeror shall provide a brief technical capability statement of how it will be able to satisfy all the requirements listed in Attachment A SOW. Include any assumptions and constraints made. Please ensure your company has an active registration in the System for Award Management (SAM) at https://www.sam.gov prior to award.

Volume	Page Limit
Factor 1 – Technical Capability Statement	Maximum 2 pages
Factor 2 – Price Worksheet (Excel Format)	Unlimited

Price Quote:

- Submit an Excel file with unlocked formulas that clearly shows the pricing and calculations for each Contract Line-Item Number (CLIN) listed in this RFQ. *See Attachment C Price Worksheet*. Pricing shall be provided in accordance with the IDIQ Product Price List.
- Discounts: The Offeror is encouraged to provide discounts for each item listed in the IDIQ Pricing Schedule and include this information as a separate column in the Price

Worksheet.

Applicable Provisions and Clauses
Attachment B Provisions and Clauses are applicable to this requirement.

Basis for Award:
The Government will award a delivery order resulting from this RFQ provided that a technically acceptable quote that meets all the technical requirements listed in the SOW is received along with a price that is fair and reasonable.
