The provision at **52.212-1, Instructions to Offerors-Commercial,** applies to this acquisition.

The provision at **52.212-2, Evaluation-Commercial Items**, applies to this acquisition as follows:

(a) The Government will award a contract resulting from this solicitation to the responsible quoter/offeror (Contractor) whose quote/offer conforming to the solicitation will be most advantageous and provides the greatest overall benefit (best value) to the Government. The following factors shall be used to evaluate offers:

(1) The basis for award is PRICE AND OTHER FACTORS

2) Evaluation procedures per FAR 15.404-1 - All quotations will be reviewed to ensure conformance to all matters with respect to the solicitation. Quotations must clearly demonstrate the quoted supplies meet the salient characteristics; must specify delivery dates; and must meet all the terms and conditions of the solicitation.

The following factors shall be used to evaluate Quotes:

1. Price: Before making the award, the Contracting Officer will use the techniques FAR 15.404-1 to determine that the apparent successful, prospective awardee is quoting a fair and reasonable price.
2. Past Performance: The apparent successful, prospective contractor shall have satisfactory past performance. Past Performance shall be evaluated on Supplier Performance Risk System (SPRS) per DFARS 204.7603, scores rated at yellow or red will not be acceptable.

Quoters are advised to include a completed copy of the provision at **52.212-3, Offeror Representations and Certifications-Commercial Items**, with their quotation.

The clause at **52.212-4, Contract Terms and Conditions-Commercial Items**, applies to this acquisition.

Quantico, VA 22134
Email: lesline.abonwoh@usmc.mil

DISCLAIMER. This is a RFQ. A quotation submitted in response is not an offer and, consequently, cannot be accepted by the Government to form a binding contract. Therefore, issuance by the Government of an order in response to a supplier's quotation does not establish a contract. The order is an offer by the Government to the supplier to buy certain supplies or services upon specified terms and conditions. A contract is established when the supplier accepts the offer.
