52.219-4	Notice of Price Evaluation Preference for HUBZone Small Business Concerns. (Deviation 2026-O0038)	2026-02		

Notice of Price Evaluation preference for HUBZone Small Business Concerns (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation preference.

(1) Offers will be evaluated by adding a factor of 10 percent to the price of all offers, except-

(i) Offers from HUBZone small business concerns that have not waived the evaluation preference; and

(ii) Otherwise successful offers from small business concerns.

(b) Waiver of evaluation preference. A HUBZone small business concern may choose to waive the evaluation preference. If the concern waives the preference, the factor will be added to its offer for evaluation purposes.

[ ] Offeror chooses to waive the evaluation preference.

(c) Joint venture. A HUBZone joint venture agrees that, in the performance of the contract, at least 40 percent of the aggregate work performed by the joint venture shall be completed by the HUBZone small business parties to the joint venture. Work performed by the HUBZone small business parties to the joint venture must be more than administrative functions.

252.232-7006	Wide Area WorkFlow Payment	2023-01		

Instructions.

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) Definitions. As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) Electronic invoicing. The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at https://www.sam.gov; and

(2) Be registered to use WAWF at https://wawf.eb.mil/ following the step-by-step procedures for self-registration available at this web site.

(d) WAWF training. The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at https://wawf.eb.mil/

(e) WAWF methods of document submission. Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) WAWF payment instructions. The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) Document type. The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

Combo

(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

N/A

(Contracting Officer: Insert either "Invoice 2in1" or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2)) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1

is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at https://www.sam.gov for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense

telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [ ] will [ ] will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 137TH SPECIAL OPERATIONS WING
OKLAHOMA CITY OKLAHOMA

15 June 2026

Statement of Work (SOW) for Install (2) 2.5 Ton Mini Splits for MSDT 1052

1) Scope: The contractor shall provide all personnel, equipment, tools, materials, supervision, and quality control necessary, except as specified in Paragraph 20-22 as Government Furnished, to install two mini splits as defined in this SOW.

2) Background: The designated facility is currently not being conditioned appropriately, leading to suboptimal operating environments. The objective of this project is to procure, install, and commission two new mini-split systems to establish reliable and efficient heating and cooling for the affected areas.

3) Delivery and Installation Requested 30 Days After Date of Contract Award (ADC).

4) Quality Control (QC): The contractor shall develop and maintain an effective QC Plan (QCP) to ensure services are performed in accordance with this SOW. The contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services. The contractor's QCP is the means by which it assures itself that its work complies with the requirements of the contract. As a minimum, the contractor shall develop QC procedures that address the areas identified in Technical Exhibit 1, Performance Requirements Summary.

5) Recognized Holidays: The following are recognized US holidays. The contractor shall coordinate with the 137th Special Operations Wing in advance if work will be planned on these days:

    a) New Year's Day: January 1st
    b) Martin Luther King, Jr.'s Birthday
    c) President's Day
    d) Memorial Day
    e) Juneteenth National Independence Day June 19th
    f) Independence Day: July 4th
    g) Labor Day
    h) Columbus Day
    i) Veteran's Day: November 11th
    j) Thanksgiving Day
    k) Christmas Day

6) Place and Performance of Services: Performance shall be at the 137th Special Operations Wing, Oklahoma City, Oklahoma, Building 1052. The contractor shall, at all times, maintain an adequate workforce for the uninterrupted performance of all tasks defined within this SOW when the Government facility/installation is not closed for the above reasons. When hiring personnel, the contractor should keep in mind that stability and continuity of the work force are essential.

7) Unscheduled gate closures by the 137th Security Forces Squadron may occur at any time causing all personnel to enter or exit a closed installation to experience a delay. This cannot be predicted or prevented. Contractors are not compensated for unexpected closures or delays. Vehicles operated by contractor personnel are subject to search pursuant to applicable regulations. Any moving violation of any applicable motor vehicle regulation may result in the termination of the contractor employee's installation driving privileges.

8) The contractor's employees shall become familiar with and obey the regulations of the installation including; fire, traffic, safety and security regulations while on the installation. Contractor employees should only enter restricted areas when required to do so and only upon prior approval. All contractor employees shall always carry proper identification with them. The contractor shall ensure compliance with all regulations and orders of the installation which may affect performance.

9) Security Requirements. The contractor shall comply with all applicable installation/facility access and local security policies and procedures, which may be obtained from the Contracting Officer. The contractor shall also provide all information required for background checks to meet installation access requirements to be accomplished by 137th Security Forces Squadron. The contractor shall ensure compliance with all personal identity verification requirements as directed by DOD, HQDA and/or local policy. Should the Force Protection Condition (FPCON) change, the Government may require changes in contractor security matters or processes. The base access procedures require the contractor, their employees, and subcontractors to submit a background check from the State of Residence of each individual who will need to be granted access to the base. If there are arrests and/or convictions, issuance of the badge is solely up to the discretion of the 137th Security Forces Squadron Commander.

10) Base Operations Security (OPSEC): To protect unclassified, but potentially sensitive information from being collected and complied, there are information controls in place that are not normal considerations for non-governmental work orders. The following paragraphs detail limitations that must be observed.

    a) Photography and Video, either by individuals or by organization is prohibited without approval through 137 SOW. Pictures of project details, buildings, facilities, or completed work, will not be posted to any online or social media, nor used by the contractor for any publicity without prior approval from the Contracting officer, Public Affairs, and Wing OPSEC manager.

b) Contractors on base will not make any posts online or to any social media about their work on Will Rogers, the nature of their work, or any interactions, observations, or utterances heard on or about the installation.

c) Will Rogers ensures a 100% shred policy for all paper. This incudes notes, post-it-notes or paper scraps that can contain notes. DO NOT dispose of any paper documents into waste or recycle receptacles on the installation.

d) Any project notes about facilities and installation will be shredded or deleted (if electronic) at the end of the project and conclusion of any requirements to maintain warranty or product documentation.

e) All information related to the project will NOT be released to any individual, company, or organization that is not directly involved in this project or needed to support this project. Only with contracting Officer approval can project or facility information be released to third parties.

f) Pictures, diagrams, plans, or other information from this project may NOT be used in any advertising or marketing to show work that was completed on this installation.

11) Special Qualifications: The contractor shall ensure all employees possess all required licenses for operating the contractor supplied equipment including its proper implementation with the government's equipment for successful performance of this contract. (The contractor must possess an active State HVAC/Electrical license and EPA Section 608 Certification for handling refrigerants for this project).

12) Post Award Conference/Periodic Progress Meetings: The contractor agrees to attend any post award conference convened by the KO in accordance with Federal Acquisition Regulations Subpart 42.5. The KO and other Government personnel, as appropriate, may meet periodically with the contractor to review the contactor's performance. At these meetings, the Contacting Officer will apprise the contractor of how the Government views the contractor's performance and the contractor shall apprise the Government of problems, if any, being experienced. The contractor shall resolve outstanding issues raised by the Government. Contractor attendance at these meetings shall be at no additional cost to the Government.

13) Contract Manager (CM): The contactor shall designate a CM who shall ensure performance under this contract. The name of this person, and an alternate who shall act for the contractor when the CM is absent, shall be designated in writing to the KO. The CM or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract. The CM shall work through the COR, (or the KO if a COR is not assigned), to resolve issues, receive technical instructions, and ensure adequate performance of services. The CM shall ensure that contractor employees do not perform any services outside the scope of the contract without an official modification issued by the KO. The CM shall ensure contractor employees understand that services performed outside the scope of the contract are performed wholly at the expense of the contractor

14) Identification of Contractor Employees: All contractor personnel attending meetings, answering Government telephones and working in other situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression that they are Government employees. The contractor shall ensure that all documents or reports produced by contractor personnel are suitably marked as contractor products or that contractor participation is appropriately disclosed. The contractor's status as a "contractor" shall be predominantly displayed in all correspondence types (to include signature blocks on e-mail) and dealings with Government or non-Government entities/ Contractor personnel shall wear identification badges distinguishing themselves as such. The badges shall have the company name, employee name and the word "contractor" displayed. The contractor shall retrieve all identification media (including vehicle passes) from their employees who depart employment for any reason. All identification media (i.e., badges and vehicles passes) shall be returned to the KO within 14 days of an employee's departure.

15) Combating Trafficking in Persons: The United States Government has adopted a zero tolerance policy regarding trafficking in persons. Contractors and contractor employees shall not engage in severe forms of trafficking in persons during the period of performance of the contract; procure commercial sex acts during the period of performance of the contract; or use forced labor in the performance of the contract. The Contractor shall notify its employees of the United States Government's zero tolerance policy, the actions that will be taken against employees for violations of this policy. Such actions may include, but are not limited to, removal from the contract, reduction in benefits, or termination of employment. The contractor shall take appropriate action, up to and including termination, against employees or subcontractors that violate the US Government policy as described at FAR 22.17.

16) Organizational Conflicts of Interest (OCI): The contractor and subcontractor personnel performing services under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications, or work statements, etc.) or perform evaluation services which may create a current or subsequent OCIs, as defined in FAR Subpart 9.5. The contractor shall notify the KO immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the KO to avoid or mitigate any such OCI. The contractor's mitigation plan will be determined to be acceptable solely at the discretion of the KO and in the event the KO unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the KO may affect other remedies as he or she deems necessary, including prohibiting the contractor from participation in subsequent contracted requirements which may be affected by the OCI.

17) Definitions and Acronyms:

    a) CONTRACTOR. A supplier or vendor awarded a contract to provide specific supplies or service to the government. The term used in this contract refers to the prime.

b) CONTRACTING OFFICER (KO). A person with authority to enter into, administer, and or terminate contracts, and make related determinations and findings on behalf of the government. Note: The only individual who can legally bind the government.

c) CONTRACTING OFFICER'S REPRESENTATIVE (COR). An employee of the U.S. Government designated by the KO to monitor contractor performance. Such appointment shall be in writing and shall state the scope of authority and limitations. This individual has authority to provide technical direction to the Contractor as long as that direction is within the scope of the contract, does not constitute a change, and has no funding implications. This individual does NOT have authority to change the terms and conditions of the contract

d) DEFECTIVE SERVICE. A service output that does not meet the standard of performance associated with the Scope of Work.

e) DELIVERABLE. Anything that can be physically delivered and includes non-manufactured things such as meeting minutes or reports.

f) KEY PERSONNEL. Contractor personnel that are evaluated in a source selection process and that may be required to be used in the performance of a contract by the Key Personnel listed in the SOW. When key personnel are used as an evaluation factor in best value procurement, an offer can be rejected if it does not have a firm commitment from the persons that are listed in the proposal.

g) PHYSICAL SECURITY. Actions that prevent the loss or damage of Government property.

Performance Requirements Summary

This Performance Requirements Summary includes performance standards. The Government will use these standards to determine contractor performance and will compare contractor performance to the Acceptable Quality Level (AQL).

SOW Paragraph	Task	Performance Standard	Acceptable Quality Levels	Surveillance Method / By Whom
28	Install 2 Mini splits	System are installed and fully operational.	System is installed and tested by manufacturer's specifications. Zero deviations from manufacturer specifications without prior KO approval.	KO approved government inspector
29	"Provide Required Submittals" and update the Standard to "Timely and accurate submission of all required reports/plans."	Systems are installed and fully operational	System is installed and tested by manufacturer's specifications Zero deviations from manufacturer specifications without prior KO approval.	KO approved government inspector
