4. Statutory Authority Permitting Other Than Full & Open Competition

This J&A is based upon the authority of 10 USC 3204(A) (1), only one or a limited number of responsible sources will satisfy agency requirements.

5. Rationale Justifying Use of Cited Authority

A/RMC 3

Acquire, for the second or subsequent time, directly from the actual manufacturer.

A/RMSC R

The Government does not own the data or the rights to the data needed to purchase / contract repair of this part from additional sources. It has been determined to be uneconomical to buy the data or rights to the data. It is uneconomical to reverse engineer the part. This code is used when the Government did not initially purchase the data and/or rights. If only one source has the rights or data to manufacture/repair this item, A/RMCs 3, 4, or 5 are valid. If two or more sources have the rights or data to manufacture/repair this item, A/RMCs 1 or 2 are valid.

This acquisition will be solicited to

Spectral Labs Inc (549W5) The Government does not own the data, or the rights to the data needed to openly compete this procurement requirement. Only the source listed above, who is the OEM, maintains the design and manufacturing standards via design drawings, manufacture procedures, and quality assurance procedures. The Government does not have the data/or is not authorized to use the data, to approve alternate sources. There are no substitutes for this item.

6. Description of Efforts Made To Solicit Offers From as Many Offerors as Practicable

A Request for Information / Sources Sought Notice was entered on the government-wide point of entry on

A Request for Information / Sources Sought Notice was entered on the government-wide point of entry on 10/23/2025

and as a result No responses were received.

The proposed contract action was synopsized on the government-wide point of entry on 11/17/2025

and as a result No responses were received.

Market research was conducted in accordance with far part 10. The results of the market research conducted (or the reason(s) market research was not conducted) are as follows

Based on this market research the contracting officer has determined that the only known procurement source is Spectral Labs Inc (549W5). If a company other than the one listed believes they have a compatible product, they can submit the item to the Engineering Program Office, to include research and development, drawings and test specifications. The program office may test and evaluate the item at the company's expense, when appropriate. Upon qualification, the approved company will be able to participate in current or future solicitations. ITIMP- Reviewed award history and other potential sources of supply, AMC/AMSC code, part number, CAGE code. Market research did not reveal, or identify any known distributors.

Source Validation Review

7. Determination of Fair And Reasonable Cost

The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable using price analysis techniques and certified cost and pricing data.

8. Actions to Remove Barriers to Future Competition

To promote competition, NAVSUP WSS will continue to encourage vendors with the expertise to manufacture/repair the subject item to submit a complete technical data package for review and source approval by the appropriate en ineerin source approval authority per the (WSS) uidelines. A so, future requirements wi l be advertised on the overnment-wide point of entry. For reasons set forth in Para raph (5 & 6), NAVSUP WSS has no p ans at this time to mpet futur ntr ts for th subje t it m v re by this ument. If n th r p t nti l manufa turing ur merg s, NAVSUP WSS will ss s wh th r mpetiti n for futur r quir ment is fe sibl . Al , futur r quir ment will be dv rtis d n the v rnment-wid p int f ntry.

Previous J&A No Previous J&A - Previously awarded under the SAT
