US ARMY CORPS OF ENGINEERS (USACE) — CARIBBEAN DISTRICT

OUTREACH EVENT NOTICE

Joint Outreach Event for Upcoming MATOC Solicitations:
General Construction & Water and Power Infrastructure Projects

Notice ID:	W51DQV-26-X-1BOF
Contract Specialist:	Ronald Brooks (Ronald.J.Brooks@usace.army.mil)
RSVP Deadline:	July 17, 2026, at 5:00 pm AST

Description

The US Army Corps of Engineers (USACE), Caribbean District, is hosting a joint Outreach Event for two upcoming design-build and design-bid-build Multiple Award Task Order Contract (MATOC) solicitations. This session will support requirements in the Commonwealth of Puerto Rico and the United States Virgin Islands (USVI).

Please note: This is not a solicitation for proposals and no contract shall be awarded from this notice.

Logistics & Schedule

Date: 22 July 2026
Location: Centro de Emprendimiento | San Juan 159 Calle Carlos F Chardon, San Juan, 00918, Puerto Rico

08:30 am AST	**On-site Registration & Sign-in**
09:00 am – 10:30 am AST	Session 1: General Construction MATOC Seminar & Q&A
10:30 am – 12:30 pm AST	Session 2: Water & Power Infrastructure MATOC Seminar & Q&A

Event Details

- **Dual Seminars:** An informative presentation will be provided for each MATOC covering the specific scope of work, types of facilities/projects, acquisition timelines, contracting requirements, and the task order processes.
- **Q&A Sessions:** Attendees will have the opportunity to ask questions regarding the procurement, acquisition approach, and procedures for both MATOCs directly to USACE personnel at the end of each session.

Comparison of Upcoming Contract Opportunities

To help industry partners identify where their capabilities align best, the following table provides a detailed breakdown of the two upcoming contract vehicles:

Feature	MATOC 1: General Construction	MATOC 2: Water & Power Infrastructure
Primary Scope	This Multiple Award Task Order Contract (MATOC) covers design-build and design-bid-build construction requirements for new facilities and real property repair, alterations, and maintenance in support of U.S. Department of War, other U.S. agencies operations, state and local governments in Puerto Rico and US Virgin Islands. The work includes, but is not limited to, new building construction, general building repairs, alterations, and renovation, road and pavement repair, stormwater, erosion control, and environmental compliance work, incidental minor construction, excavation, plumbing, demolition, electrical, structural, mechanical, concrete work, Power and Communication Systems and Related Structures, and environmental remedial work (hazardous waste abatement and disposal).	This Multiple Award Task Order Contract (MATOC) covers design-build and design-bid-build construction, repair, rehabilitation, and modernization of water infrastructure, power generation/distribution, and critical utility infrastructure projects, supporting the U.S. Department of War, federal agencies, and state and local governments in Puerto Rico and the U.S. Virgin Islands. The scope of work includes, but is not limited to, the rehabilitation of hydroelectric power plants, dam and reservoir repairs, intake structures, large-diameter water transmission pipeline and pipe bridge construction, electrical substations, emergency generators, and critical utility distribution networks. Contractors will also perform associated civil works including excavation, dredging, structural concrete, road and pavement repair, temporary cofferdam structures, auxiliary facility repairs, and environmental remediation (including hazardous waste abatement and environmental compliance support).
Target Contractor Pool	5 to 7 contractors	5 to 7 contractors
Program Capacity	AT LEAST $99,000,000.00	AT LEAST $200,000,000.00
Task Order Value Range	$350,000.00 to $50,000,000.00	$20,000,000.00 to $100,000,000.00

Feature	MATOC 1: General Construction	MATOC 2: Water & Power Infrastructure
Ordering Period	5 Years (1 Base Year + 4 Option Years)	5 Years (1 Base Year + 4 Option Years)
NAICS Code	236220 - Commercial and Institutional Building Construction	237990 — Other Heavy and Civil Engineering
Small Business Size Standard	$45M	$45M

Instructions to Participants

RSVP REQUIRED

To RSVP, please send an e-mail to Ronald Brooks at Ronald.J.Brooks@usace.army.mil no later than (NLT) **July 17, 2026, at 5:00 pm AST**.

Email Subject: *"RSVP to Outreach Event for Joint MATOCs (General Construction & Water/Power Infrastructure)"*

In your email, please include:

- Firm's name
- Name and title of attendees
- Contact number and e-mail address
- Business type, Small Business Category (if any), and UEI Information
- Specify if you would like to participate as a Prime or Subcontractor
- Specify if you are interested in MATOC 1 (General Construction), MATOC 2 (Water & Power Infrastructure), or Both
