Basis for Subcontract Award

This is a best value source selection. Award shall be made to the supplier who is deemed responsible by FFDG whose proposal conforms to the solicitation's requirements, and is judged to represent best value to FFDG. The best value is represented by the lowest price of technically acceptable offerors. FFDG intends to award without discussions.

The following terms and conditions shall become a part of any subsequent purchase order/subcontract resulting from this solicitation.

FFDG General Terms and Conditions for Commercial Products and Commercial Services (08.2025)

The above referenced terms and conditions are available on the Fermilab Business Services Web Site. They are PDF Format (hard copy forms are available upon request) and can be accessed at the following URL:

https://procurement.fnal.gov/terms-conditions/

Offers to include F.O.B. Fermilab delivery terms. All freight charges must be included in your quotation.

The following Representations must be completed and returned with your proposal:

SARC - Subcontractor Annual Reps & Certs (Rev. 6)

PUR-466 - Proposal Certifications (Rev. 5)

Proposals shall be submitted by 4pm Central August 17, 2026.

The RFP response shall include a completed RFP page, Attachment A, SARC Form (if not completed in the last year), and a PUR-466 Form.

All contractural questions shall be directed to:
