The 914th Niagara Falls Air Refueling Wing (ARW) hereby gives notice of their intent to award a Firm Fixed Price Blanket Purchase Agreement for Industrial Laundry services to be performed at Niagara Falls Air Reserve. These services will provide pickup, laundering and delivery of items soiled by industrial cleaning, lubrication and waste products. Items laundered include standard red rags, white rags, carpeting, RAS soaker pads and coveralls. The anticipated period of performance for this agreement is five years. The North American Industrial Classification System (NAICS) code 812332 – Industrial Launderers, size standard $47.0 million applies, with Service Code S209 – Housekeeping – Laundry/Drycleaning. This requirement is being solicited orally IAW RFO Part 12.

This notice of intent to award Blank Purchase Agreements is not a request for quotations. There will be no written solicitation available for competitive quotes from this announcement. Entities that meet the requirements may express their interest by providing a capabilities statement to include their SAM registration NTL 9 July 2026; to matthew.crum.9@us.af.mil. This pre-solicitation notice by no means binds the Government and is for informational purposes only.
