I. CONTRACT CLAUSES

A. Type of Contract

The Government contemplates award of a firm-fixed-price commercial item/service purchase order resulting from this solicitation.

B. 52.212-4, Contract Terms and Conditions— Commercial Products and Commercial Services (Nov 2023) (DEVIATION Mar 2026)

C. 52.217-8, Option to Extend Services (Nov 1999)

The Government may require the delivery of the numbered line item, identified in the Quote/Price Sheet as an option item, in the quantity and at the price stated in the Quote/Price Sheet. The Contracting Officer may exercise the option by written notice to the Contractor within the contract performance period.

Additionally, the Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed **6 months**. The Contracting Officer may exercise the option by written notice to the Contractor within the contract performance period.

D. 52.217-9, Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within **5 days**; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least **15 days** before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed **five (5) years**.

E. DIAR 1452.228-70, Liability Insurance (Jul 1996)

The Contractor shall procure and maintain during the term of this contract and any extension thereof liability insurance in form satisfactory to the Contracting Officer by an insurance company which is acceptable to the Contracting Officer. The named insured parties under the policy shall be the Contractor and the United States of America. The amounts of the insurance shall be not less than as follows:

$100,000.00 each person
$100,000.00 each occurrence

$100,000.00 property damage

Each policy shall have a certificate evidencing the insurance coverage. The insurance Company shall provide an endorsement to notify the Contracting Officer 30 days prior to the effective date of cancellation or termination of the policy or certificate; or modification of the policy or certificate which may adversely affect the interest of the Government in such insurance. The certificate shall identify the contract number, the name and address of the Contracting Officer, as well as the insured, the policy number and a brief description of contract services to be performed. The contractor shall furnish the Contracting Officer with a copy of an acceptable insurance certificate prior to beginning the work.

F. Workers Compensation

The Contractor is required to be insured against liability for workmen's compensation or to undertake self-insurance. Evidence of coverage is required before commencement of project work.

G. Electronic Invoicing and Payment Requirements – Invoice Processing Platform (IPP) (Feb 2021)

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Invoice Processing Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions - Commercial Items included in commercial item contracts. The IPP website address is: https://www.ipp.gov

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice: **Vendor's business invoice** (upload your business invoice as an attachment to the IPP invoice before you click "submit" in IPP).

VENDOR'S FAILURE TO ATTACH THE REQUIRED DOCUMENTATION AS SPECIFIED ABOVE WILL RESULT IN THE IPP INVOICE BEING REJECTED.

The Contractor must use the IPP website to register, access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of St. Louis (FRBSTL) within 3 - 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email at ippgroup@bos.frb.org or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.

H. Contractor Performance Assessment Reporting System (Nov 2015)

In accordance with DOI and NPS policy, past performance evaluations may be prepared for this acquisition. For more information see the Contractor Performance Assessment Reporting System (CPARS), available online at https://cpars.gov/.

I. Site-Specific Safety and Health Plan

Prior to work commencing on site, a site-specific safety and health plan shall be prepared covering on-site work to be performed by the contractor and all subcontractors. The prime contractor shall be responsible for development, implementation, and oversight of the site-specific plan. The level of detail provided in the site-specific safety and health plan shall be tailored to the type of work, complexity of operations to be performed, and hazards anticipated. The site-specific safety and health plan shall address, in as much detail as possible, anticipated tasks, their related hazards, and anticipated control measures.

Work performed under this contract shall comply with applicable federal, state, and local safety and occupational health laws and regulations.

J. 52.252-2, Clauses Incorporated by Reference (Feb 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these addresses:

III. SOLICITATION PROVISIONS

A. Acquisition 360: Voluntary Survey

(a) All actual and potential offerors are encouraged to provide feedback on the preaward and debriefing processes, as applicable. Feedback may be provided to agencies up to 45 days after award. The feedback is anonymous, unless the participant self-identifies in the survey. Actual and potential offerors can participate in the survey by selecting the following link: https://www.acquisition.gov/360.

(b) The Contracting Officer will not review the information provided until after contract award and will not consider it in the award decision. The survey is voluntary and does not convey any protections, rights, or grounds for protest. It creates a way for actual and potential offerors to provide the Government constructive feedback about the preaward and debriefing processes, as applicable, used for a specific acquisition.

B. Compliance with Executive Orders 14173/14168

NOTICE: System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include 52.222-25, Affirmative Action Compliance, and paragraph (d) of 52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services. Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

C. Compliance with Executive Orders 14148/14208

NOTICE: System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations, including 52.223-22, Public Disclosure of Greenhouse Gas Emissions and Reduction Goals—Representation, and paragraph (t) of 52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services. Agencies will not consider or use these representations. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

D. 52.212-1, Instructions to Offerors—Commercial Products and Commercial Services (Sep 2023) (DEVIATION Mar 2026)

Addendum to the clause 52.212-1 (FAR 52.212-1 is replaced in its entirety by this addendum):

FAR.212-1, Instructions to Quoters—Commercial Products and Commercial Services

(a) Submitting your quote. Submit your company's quote through electronic mail addressed to:

alanna_gardner@ios.doi.gov

Quoters are urged to title all electronic quote documents using short, clear, and consistent naming conventions and use **Adobe PDF** as the preferred file format.

(b) As a minimum, quotations shall include—

(1) The solicitation number;

(2) The name, address, telephone number of the quoter;

(3) The quoters's Unique Entity Identifier (UEI) - clearly identify your company's UEI in block 17 of the SF 1449 form;

(4) Information necessary to evaluate the factors contained in the provision at 52.212-2 or as described in the solicitation, including:

- **Standard Form 1449** (quoter to fill blocks 12,17, 30a, b & c).
- **Complete Quote/Price Sheet** as referenced in Section II, Attachment No. 1. Enter the proposed dollar amounts for each line item in the price schedule, including all option items.
- **Acknowledgment of any amendments to this solicitation**, using one of the methods set forth in Block 11 of the amendment, Standard Form 30.
- **A list of comparable relevant experience** as provided/performed within the past six (6) years, to be evaluated as described in the Evaluation section at the end of this document. Use attached optional form "Technical Information Form" or similar format to provide this information.
- **Confirmation of standards and requirements** in accordance with Statement of Work via YES or NO response provided on the "Technical Information Form" or similar format to the following questions:
    a. Is your Lab ELAP certified by the State of California?
    b. Is your Lab EPA certified for drinking water testing?
    c. Will your Lab provide all sampling bottles required for needed testing?
    d. Is your Lab available to run and read tests during the weekend in the event of a weekend emergency?
- **References to current or former customers** who will attest to the quality of your product or service as provided/performed within the past six (6) years, including information such as (i) customer name, (ii) customer address, (iii) contract or purchase order numbers, (iv) persons to contact, and (v) telephone numbers and/or email address, to be evaluated as described in the Evaluation section at the end of this document. Use attached optional form "Technical Information Form" or similar format to provide this information.

(5) Responses to provisions that require quoter completion of information, representations, and certifications (other than those collected via the System for Award Management (SAM)).

(6) If the quotation is not submitted on the SF 1449, a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and any solicitation amendments.

(c) Small Business Status. To be eligible for award as a small business concern, the quoter is required to represent in good faith that it meets the small business size standard corresponding to the North American Industry Classification System (NAICS) code identified in the solicitation. The small business size standard that applies to this purchase is stated in Block 10 of the cover sheet of this RFQ, along with the North American Industry Classification System (NAICS) code on which it is based.

(d) Submission deadline. We must receive your quote by the deadline specified in Block 8 of the SF 1449. We will not consider any quote that we receive after the deadline unless we receive it before we issue a purchase order and considering it will not delay our purchase. In case of an emergency that delays our operations and makes submission or receipt of your quote impossible, we will extend the deadline by one working day.

(e) Purchase Order award. Your quotation should contain your best terms. The Contracting Officer may reject any or all quotations. After the evaluation of quotations, the Contracting Officer may work out final terms with one or more quoters of the Government's choice before issuing a purchase order. The Contracting Officer will not confer with any quoters other than those of the Government's choice and will not use the formal source selection procedures described in FAR Part 15.

The Contracting Officer may issue a purchase order to other than the quoter with the lowest price. We might issue multiple orders, purchasing various items or groups of items from different quoters. We might issue an order for less than the quantity on which your quote is based, at the quoted price, unless you tell us that you will not accept an order on that basis.

(f) Requests for information. The Contracting Officer is not required to notify unsuccessful quoters; however, the Contracting Officer may provide such notice at their discretion. Quoters may request information on purchase order(s) resulting from this solicitation from the Contracting Officer. Upon request, the Contracting Officer will provide a brief explanation of the award decision that explains why the unsuccessful quoter was not selected.

E. 52.237-1, Site Visit (Apr 1984)

Quoters are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award.

F. Site Visit Information

While attendance at a site visit is not required, all prospective quoters are urged to inspect the site of the work prior to preparing a response to this solicitation.

(a) A Site Visit may be arranged during normal duty hours by contacting:

Alexander Bernhardt
Buildings and Utilities Supervisor
Point Reyes National Seashore
1 Bear Valley Road, Point Reyes Station, CA 94956
(415) 464-5155 office

G. 52.212-2, Evaluation—Commercial Products and Commercial Services (Nov 2021) (DEVIATION Mar 2026)

Addenda to the clause 52.212-2, Evaluation— Commercial Products and Commercial Services:

52.212-2, Evaluation— Commercial Products and Commercial Services

(a) Evaluation will be made in accordance with the procedures outlined in FAR Part 12.203.

(b) The Government intends to issue a purchase order resulting from this request for quotation to the responsible quoter whose quotation conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate quotations:

(i) **Price**.

(ii) **Relevant Experience:** Using the information provided by the quoter via the "Technical Information Form" or similar format listing relevant projects completed within the last six (6) years, the Government will evaluate the quoter on the basis of extent of experience with projects of a similar nature and scope of this requirement.

(iii) **Confirmation of Standards and Requirements in accordance with Statement of Work:** Using the information provided by the quoter via the "Technical Information Form" or similar format, the Government will evaluate the quoter's confirmation of standards and requirements in accordance with the Statement of Work, such as Environmental Laboratory Accreditation Program (ELAP) certification by the State of California for the required tests, EPA certification for drinking water testing, ability to provide all sampling bottles/labels, and ability to run and read tests during the weekend in the event of a weekend emergency provide.

(i) **Past Performance:** Using the information provided by the quoter via the "Technical Information Form" or similar format, the Government will evaluate the degree to which the quoter successfully performed past projects similar in scope and complexity to the project detailed in this solicitation within the last six (6) years and satisfied past customers. Past performance information from other sources, including the Contracting Officer's knowledge of and previous experience with the supply or service being acquired, or the Contractor Performance Assessment Reporting System (CPARS) at https://www.cpars.gov may also be

utilized in the determination of the past performance record. In the case of a quoter without a record of past performance or for whom information on past performance is not available, the quoter will not be evaluated favorably or unfavorably on past performance.

(c) *Options.* The Government will evaluate quotations for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that a quotation is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

H. 52.252-1, Solicitation Provisions Incorporated by Reference (Feb 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The quoter is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation. In lieu of submitting the full text of those provisions, the quoter may identify the provision by paragraph identifier and provide the appropriate information with its quotation. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es):
