The contractor will provide direct access to its user interface and monthly reports containing the latest information and analysis to assist in identifying, characterizing, and quantifying sourcing risks in the upstream pharmaceutical supply chain for the US market.

The contractor shall arrange and participate in monthly meetings, at no additional charge, between its technical experts and government staff to review each month's data, including insights to inform decisions and mitigation actions.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689*). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals–

(1) □ Are, □ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) □ Have, □ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) □ Are, □ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) □ Have, □ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). (iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies–

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

Item that contains ICT:

Applicable Functional Performance Criteria: All functional performance criteria apply when using an alternative design or technology that achieves substantially equivalent or greater accessibility and usability by individuals with disabilities, than would be provided by conformance to one or more of the requirements in Chapters 4-6 of the Revised 508 Standards, or when Chapters 4-6 do not address one or more functions of ICT.

Applicable requirements for software features and components: All WCAG Level AA Success Criteria, 502 Interoperability with Assistive Technology, 503 Application

Applicable requirements for hardware features and components: All requirements apply

Applicable support services and documentation: All requirements apply

Instructions: The following instructions will help vendors properly document how their proposed solution addresses the Section 508 requirements outlined in the previous section. Vendors should include this documentation with their proposal. When explaining how potential offerors should respond to the solicitation, include these instructions.

Caution: These instructions are not 508 requirements, evaluation factors, or acceptance criteria.

INSTRUCTIONS to Offerors

The Government will process late submissions in accordance with FAR 52.212-1(f), Instructions to Offerors—Commercial Products and Commercial Services (SEP 2023).

1. Provide an Accessibility Conformance Report (ACR) for each commercially available Information and Communication Technology (ICT) item offered through this contract. Complete each ACR in accordance with the instructions provided in the VPAT template. Each ACR must address the applicable Section 508 requirements referenced in the Work Statement. Each ACR shall state exactly how the ICT meets the applicable standards in the remarks/explanation's column, or through additional narrative. All "Not Applicable" (N/A) responses must be explained in the

remarks/explanation's column or through additional narrative. Address each standard individually and with specificity and clarify whether conformance is achieved throughout the entire ICT Item (for example - user functionality, administrator functionality, and reporting), or only in limited areas of the ICT Item. Provide a description of the evaluation methods used to support Section 508 conformance claims. The agency reserves the right, prior to making an award decision, to perform testing on some or all of the Offeror's proposed ICT items to validate Section 508 conformance claims made in the ACR.

2. Describe your approach to incorporating universal design principles to ensure ICT products or services are designed to support disabled users.
3. Describe plans for features that do not fully conform to the Section 508 Standards.
4. Describe "typical" user scenarios and tasks, including individuals with disabilities, to ensure fair and accurate accessibility testing of the ICT product or service being offered.

Instructions: Insert the following language into the Acceptance Criteria section of the solicitation.

Acceptance Criteria

1. Prior to acceptance, the government reserves the right to perform testing on required ICT items to validate the offeror's Section 508 conformance claims. If the government determines that Section 508 conformance claims provided by the offeror represent a higher level of conformance than what is actually provided to the agency, the government shall, at its option, require the offeror to remediate the item to align with the offeror's original Section 508 conformance claims prior to acceptance.

See attached detailed section 508 compliance language.

The Government intends invoicing to be done electronically in accordance with DFARS clause 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports. The Government will utilize the Department of Defense Wide Area Workflow (WAWF) Receipt and Acceptance (RA) System to accept supplies/services delivered under this task order. This web-based system is located at https://wawf.eb.mil and provides technology for DOD vendors and authorized DOD personnel to generate, capture, and process receipt and payment related documentation in a paperless environment. Invoices for supplies/services rendered under this blanket purchase agreement shall be submitted electronically through WAWF.

The requirements for invoicing are subject to FAR 52.232-25 Prompt Payment. Invoices for goods received or services rendered under this Task Order(s) shall be submitted electronically through WAWF. Hard copy invoices cannot be accepted. The vendor's failure to include the necessary information will result in invoices being rejected. Back up documentation can be included and attached to the invoice in WAWF. Attachments created in any Microsoft Office product are attachable to the invoice in WAWF. The Maximum size limit of each attachment is 2 Megabytes (MB). Total size limit for all files is 5MB.

The vendor is required to utilize the system when processing invoices and receiving reports under this contract/order. Unless the provisions at DFARS 252.232-7003(c) applies, the vendor shall (1) ensure an Electronic Business Point of contact is designated in the System for Award Management (SAM) at https://www.sam.gov and (II) register to use WAWF-RA at the https://wawf.eb.mil site within ten (10) calendar days after award on this contract/order or modification. Step by step procedures to register are available at the https://wawf.eb.mil site.

For those vendors who are unfamiliar with WAWF, contents for this information can be located on the Defense Finance and Accounting Services (DFAS) Website at: http://www.dfas.mil/contractorpay/electroniccoccommerc/ETToolBox.html

After clicking the "submit" button, a Notice of Successful/Unsuccessful Submission will appear. This screen contains a "Send More E-Mail Notifications" button. Click on this button and add the email addresses for the COR, and others as desired. Notification shall be provided for each invoice submitted.

In some situations, the WAWF-RA system will pre-populate the "Issue By DoDAAC," "Admin By DoDAAC," and "Pay DoDAAC." Vendors shall verify those DoDAACs automatically entered by the WAWF-RA system match the above information. If these DODAACs do not match, then the vendor shall correct the field(s) and notify the Contracting officer of the discrepancy (ies). On the vendor Interface page click on "WAWF-RA" header at the top of the page. Under downloads on the WAWF-RA page that appears, click the appropriate documents: "Invoice", "Receiving Report (RR)", "Invoice/RR Combo", "2-in-1," or "Cost Voucher" to download the instructions.

Note to Vendor:

Before closing out an invoice session in WAWF-RA, but after submitting the document(s), the vendor will be prompted to send additional email notifications. Vendors shall click on "Send More Email Notification" on the page that appears. Add the acceptor's/receiver's email address (Note this address is their work address and not their WAWF-RA organizational email address) in the first email address block and add any other additional email addresses desired in the following blocks. This additional notification to the Government is important to ensure the acceptor/receiver is aware that the invoice document(s) have been submitted into the WAWF-RA system.

Any other contracting questions/problems should be addressed to the Contracting Officer or other person identified in the contract/order to whom questions are to be addressed.
