This package contains all the necessary information for submitting a request for a quote for evaluation. The following forms, clauses, and statements must be completed and submitted with your offer:

A. **Standard Form 1449**

B. **Instructions to Offerors – Commercial Products and Commercial Services**

All potential offerors and quoters are required to be registered in System for Award Management (SAM) at time an offer or quotation is submitted in order to comply with the annual representation and certification requirements [(FAR RFO 4.203 04/17/2026)]. Offerors and quoters shall include their Unique Entity Identifier (UEI) in their quotes (FAR RFO 52.204-7(b) and (c)). The Contracting Officer will verify registration before award by entering the potential awardee's UEI number into the SAM's database. The evaluation factors are Price and Past Performance (i.e. poor past performance, failure to deliver awarded items within timelines, not meeting required specifications, etc.). The Price will be rated higher than Past Performance. The Government will award all items individually to the offeror(s) whose offer conforms to the solicitation and is the most advantageous to the Government.

Failure to deliver awarded items within the established time frames in the solicitation will be considered as non-conformance under terms of the contract and the order may be canceled.
