SV0214-26 QUSTIONS AND ANSWERS

Q1: Can we have a CAD File instead of the PDF file for the framing?

A1: CAD files are not available from the company.

Q2: If UNICOR wanted a Dip Coater or a Spin Coater?

A2: The vendors were asked to provide different proposals with each design.

Q3: Will the sand blaster be in a different location?

A3: Yes

Q4: How many will be used where he suggested one should be used.

A4: One

Q5: Does the plant have 480 volts coming in.

A5: yes, the factory is going to provide 480 volts service with 400 amps to the maintenance room.

Q6: How many productions jobs UNICOR does a day?

A6: Between 250 to 300 a day with a 500 job max.

Q7: When the quotes/bids are issued is there a typical gov payment schedule for deposit? Example we normally have 30% down, 60% prior to shipment, and 10% upon FAT (field acceptance testing).

A7: FAR (RFO) 32.202-2 states we cannot do an advanced payment above 15 percent of the total value of the contract. 60 percent would not be possible prior to shipment. We could do a percentage for each line item as it arrives and is inspected. Then we could pay the remaining percentage upon FAT and training.
