This is a combined synopsis and solicitation for commercial items prepared in accordance with the format in FAR Subpart 12.6 as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. This solicitation will be posted for less than fifteen (15) days, in accordance with FAR 5.203(b). Request for Quotation (RFQ) number is N66604-26-Q-0342.

The Naval Undersea Warfare Center Division, Newport (NUWCDIVNPT) intends to award a single, Firm Fixed Price (FFP) order for Rope Rescue Operational & Awareness Training (Non-Technician Level) and Confined Space Search & Rescue Technician Training.

The contractor shall provide both classroom instruction and practical, hands-on exercises at Naval Station Newport FD (NAVSTA FD) in accordance with the Statement of Work (SOW) provided as Attachment #1 to this notice. The requirement is to meet the requirements outlined by Occupational Safety and Health Administration (OSHA) and The National Fire Protection Association (NFPA) training. This training requirement will train up to twenty (20) students; upon successful completion of the Confined Space course, all participating students shall receive a ProBoard certificate verifying training hours and competencies achieved.

This procurement is 100% small business set-aside, as concurred with by the NUWCDIVNPT's Office of Small Business Program. The North American Industry Classification System (NAICS) Code is 611430; the small business size standard $15 Million Dollars.

Quotes shall be submitted for the following tasking, in accordance with (IAW) the Statement of Work (Attachment #1).

Line Item	Item Description	QTY	Period of Performance*
CLIN 0001	Rope Rescue Operational & Awareness Training (Non-Technician Level), IAW the SOW. Training Course for up to twenty (20) students per class (32 Hours)	1 Job	12 months after date of award
CLIN 0002	Confined Space Search & Rescue Technician Training with ProBoard certification, IAW the SOW. Training Course for up to twenty (20) students per class (48 hours)	1 Job	12 months after date of award

The government anticipates completion of all training by 12/30/2026. Training dates will be determined by mutual agreement between the contractor and Government after issuance of award.

The Government intends to award a single FFP Purchase Order to the eligible and responsible offeror on a Lowest Price, Technically Acceptable (LPTA) basis. In order to be determined technically acceptable, the offeror must submit the following with its quote:

1. Quote FFP for each CLIN listed in the CLIN description above. Partial quotes will not be accepted.

2. Submit proof of an active agreement with a Pro Board Accredited agency that will issue the certifications under this contract.

Additionally, the Government will consider past performance information, where negative information within SPRS may render the quote being deemed technically unacceptable.
