MEMORANDUM TO THE FILE

SUBJECT: USE OF OTHER THAN FULL AND OPEN COMPETITION FOR AN ACQUISITION UNDER THE SIMPLIFIED ACQUISITION THRESHOLD

I. BACKGROUND

1. FAR 13.106-1(b)(1)(i) states for purchases not exceeding the simplified acquisition threshold, Contracting Officers may solicit from one source if the Contracting Officer determines that the circumstances of the contract action deem only one source reasonably available (e.g., urgency, exclusive licensing agreements, brand-name, or industrial mobilization).

2. As required by FAR 13.106-3(b)(3)(i), this memorandum explains the absence of competition for this acquisition, as only one source will be solicited for this requirement (or for a portion of the requirement) and the requirement is not expected to exceed the simplified acquisition threshold.

III. THE DETERMINATION FOR USE OF OTHER THAN FULL AND OPEN COMPETITION IS BASED ON THE FOLLOWING: (*select all that apply*):

A. ☑ ONLY ONE RESPONSIBLE SOURCE (*select all that apply*):

1. ☐ **RESTRICTIVE RIGHTS**
   The source has established proprietary rights, limited rights in data, patent rights, copyrights or secret processes in the item or service required.
   Explain what rights are restricted, why the restrictive rights make the required item or service available from only one source, and why another company could not satisfy the Government's need.

2. ☐ **EXCLUSIVE LICENSING AGREEMENTS**
   The item or service is only available from the Original Equipment Manufacturer (OEM), or there is only one authorized distributor or technical representative for the OEM.
   Explain the circumstances surrounding why the item or service is only available from the manufacturer or service provider.
   OR
   Provide evidence of the exclusive licensing agreement as an attachment to this document. NOTE: If there is more than one distributor/authorized technical representative for an OEM part, then Part B, BRAND NAME SOLE SOURCE, is applicable, and Part A, ONLY ONE RESPONSIBLE SOURCE, should be left blank.

3. ☑ **OTHER REASONS**

Other reason not identified above. Provide details on mission impact if requirement is not solicited from only one source.

Due to lack of availability of uncured rubber chemicals PNSY is not able to support. Goodyear Rubber Company is EPD and Shapec approved vendor for non-standard uncured rubber procurement. Good year is able to provide first article testing per MILSPEC requirements. Attempting to qualify other vendors at this point would be prohibitive in terms of cost and Shipyard's ability to meet ship work schedules.

B. ☐ **BRAND NAME**

Item required must be a brand name product, or feature of a product, particular to one manufacturer.

Discuss why you are precluding consideration of a product manufactured by another company. Describe how the particular brand name, product, or feature is essential to the Government's requirements and why a "brand name or equal" purchase description cannot be used (see FAR 11.104). Describe how market research indicates other companies' similar products or products lacking the particular feature do not meet, or cannot be modified to meet, the agency's needs.

C. ☐ UNUSUAL AND COMPELLING URGENCY

The supplies or services are of such unusual and compelling urgency that the Government would be seriously injured unless the agency is permitted to limit the number of sources from which it solicits bids or proposals. Urgent requirements are supplies or services that will result in a work stoppage, or are mission critical and the routine processing time would result in injury to the Government. The determination that the procurement for the above item/service is an urgent and compelling requirement is based on the following:

1. Date on which the requirement was first identified: _____

2. Explanation of why delivery/commencement of services by the date mentioned above is required:
   Explain the impact to the mission if the date above is not met, any special circumstances or conditions that exist which validate the requirement as "urgent," estimated production lead time for the item, etc.

3. If appropriate, include any additional pertinent information.

IV. CERTIFICATIONS/APPROVALS

A. Technical / Requirements Certification (Requiring Activity):
