W50S9H26QA019 – QUESTIONS AND ANSWERS

Q1. Solicitation W50S9H26QA019 references a fully enclosed regular cab UTV but does not specify occupant capacity. Can the Government clarify whether a 3-passenger or 6-passenger configuration is preferred?

A1. Please review the specifications document. Requirement is "Fully enclosed regular cab" and NOT crew cab. Market research and all information available indicates regular cab means 2–3-person(s) capacity.
