1.0 SCHEDULE OF ITEMS

The following descriptions summarize the work for the Schedule of Items (SOI) listed below. They are not intended to be all-inclusive of the work needed to perform each item. Such work shall be considered incidental to the task and included in the final costs to perform the work.

1.1 ABBREVIATIONS

Pay Units			
LS	Lump Sum	HR	Hour
TN	Ton	TR	Roundtrip

1.2 METHOD OF MEASURE DEFINITIONS

Actual (Contract) Quantity, AQ

The quantity to be paid is the quantity listed in the bid schedule. The contract quantity will be adjusted for authorized changes that affect the quantity or for errors made in computing this quantity. If there is evidence that a quantity specified as a contract quantity is incorrect, submit calculations, drawings, or other evidence indicating why the quantity is in error and request in writing that the quantity be adjusted.

Lump Sum Quantity, LSQ

The bid amount is complete payment for all work described in the contract and necessary to complete the work for that pay item. The quantity is designated as "All". Estimated quantities of lump sum work shown in the contract are approximate.
