QUOTE DUE DATE – TIME – QUOTE SUBMISSION METHOD

Questions:
All questions shall be submitted in writing by Noon (12:00 PM, Mountain Time (MT)) on 7/01/2026, via email to the CO, sally_leitch@ios.doi.gov. **Phone calls shall not be accepted**.

Quote Due Date & Time:
Quoters shall submit a quote to the CO via email to sally_leitch@ios.doi.gov by the closing date and time of 7/09/2026, at Noon, (12:00 PM), MT. Late quotes may not be accepted.

Late Quotes:
Quotes received after the closing date and time may not be accepted. The determination in accordance with FAR 52.212-1(f)(2)(ii), Late Submissions to accept a late quote will be made solely by the Contracting Officer. It is the responsibility of the quoter to ensure that the entire quote is received, not just sent. If attachments do not open may render the quote unacceptable and may not be further considered for award. All quotes received have a date and time received in the contracting officer's email. This date and time will be the determination if a quote is late.

Quoters may submit more than one quote by the due date and time of quote submission or withdraw in writing the previously submitted quote. If withdrawing the previously submitted quote, it shall be done in writing.

All quotes shall be submitted to the CO by the due date and time listed below. As a reminder any quote that is date/time stamped by the CO's email shall determine the date and time received (not sent by the quoter).

Quotes will receive a preliminary review to determine whether the quote contains sufficient information, as required. If the results of the preliminary review indicate that the quote lacks sufficient information to determine capability, the Contracting Officer, as the sole deciding authority, may determine a quote as unacceptable and may remove the quote from further consideration for an award.

The contracting officer shall conduct the price evaluation. Technical evaluators will conduct technical evaluations. The CO and evaluators will both conduct past experience evaluations.

In accordance with FAR 9.104 a determination of contractor responsibility or non-responsibility will be made by various systems including but not limited to SAM, CPARS, and FAPIIS.

Debriefings do not apply to FAR Part 12.

Quoters are reminded to include their best technical and price terms in their initial quote and not to automatically assume they will have an opportunity to participate in discussions.

FAR 52.212-2	Evaluation—Commercial Products and Commercial Services	**NOV 2021**

(a) The Government award will be made in accordance with the procedures established in part 12 for the quoter who is determined to be the best overall value at a fair and reasonable price based on comparative evaluation procedures.

The Government reserves the right to consider a quotation other than the lowest priced that provides a benefit to the Government that meets the minimum requirements of the solicitation but is not required to do so. Each quote shall meet the minimum requirements of the solicitation to be considered eligible for technical evaluation and award consideration.

2. Price.
   Technical Capability: A narrative that addresses in the quoter's own words how they will meet the state requirements of the PWS.

   This narrative shall contain sufficient information to conduct meaningful evaluations and be based on the requirements and type of work being solicited.

   Copying the government's PWS, simply stating your firm can meet the requirements, or just providing a capability statement shall cause the firm's quote to be ineligible for award and not further considered.

3. Technical Capability
   a. At a minimum the quoter shall provide:
      vi. Arborist Name and Copy of valid certification.
      vii. Narrative of the Arborists' experiences, qualifications, and capability.
      viii. A copy of the firm's safety plan for meeting the requirements of the PWS.
      ix. A copy of the firm's standard operating procedures for meeting the requirements of the PWS.
      x. A copy of the firm's quality control plan for meeting the requirements of the SOW.

4. Past Experience: Quoter should have direct experience in providing tree removal and pruning services withing the last 3 years of the same size and scope and shall include at a minimum:
   a. Past Experience 1: Shall include the following:

i. Description of tree removal and pruning services
ii. Point of Contact with phone/email.
iii. Contract/Project Number
iv. Awarded Dollar Amount.

b. Past Experience 1: Shall include the following:
v. Description of tree removal and pruning services
vi. Point of Contact with phone/email.
vii. Contract/Project Number
viii. Awarded Dollar Amount

Awarded Dollar Amount. All eligible quotes shall be evaluated in accordance with the factors described herein. The evaluation factors used in this RFQ are technical, past experience and price. Award will be made to the quoter who is determined eligible and is the overall best value to the Government by using comparative evaluation. A comparative evaluation is where each quote will be compared side-by-side with other quotes to determine the overall best value to the Government.

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). This award does not contain options.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

DIAR 1452.228-70	**Liability Insurance – Department of the Interior**	**JUL 1996**

(a) The Contractor shall procure and maintain during the term of this contract and any extension thereof liability insurance in form satisfactory to the Contracting Officer by an insurance company which is acceptable to the Contracting Officer. The named insured parties under the policy shall be the Contractor and the United States of America. The amount of insurance shall be not less than as follows:

$ 100,000 each person
$ 500,000 each occurrence
$ 100,000 property damage

(b) Each policy shall have a certificate evidencing the insurance coverage. The insurance company shall provide an endorsement to notify the Contracting Officer 30 days prior to the effective date of cancellation or termination of the policy or certificate; or modification of the policy or certificate which may adversely affect the interest of the Government in such insurance. The certificate shall identify the contract number, the name and address of the Contracting Officer, as well as the insured, the policy number, and a brief description of contract services to be performed. The contractor shall furnish the Contracting Officer with a copy of an acceptable insurance certificate prior to beginning the work.

Electronic Invoicing and Payment Requirements – Invoice Processing Platform (IPP)	**February 2021**

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Invoice Processing Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions - Commercial Items included in commercial item contracts. The IPP website address is: https://www.ipp.gov.

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice:

Invoice to be on company letterhead with stated contract number.

The Contractor must use the IPP website to register access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of St. Louis (FRBSTL) within 3 - 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email IPPCustomerSupport@fiscal.treasury.gov or phone (866) 973-3131. If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.
