Salient Characteristics
Dormitory Furniture Refresh
Building 3020
Fort Lee, VA
20 May 2026

1. **Background**: The 345th Training Squadron's three dormitory day rooms and three computer learning centers with severely worn furniture that no longer meets Air Force standards for cleanliness, appearance, or functionality. With limited access to recreational outlets at Fort Gregg-Adams, these spaces are vital for student quality of life. Replacing the deteriorated furnishings is necessary to restore a clean, functional, and morale-supportive environment that aligns with Air Force expectations and supports student well-being.

   The 345th Training Squadron (TRS), located at Ft. Lee, VA requires dormitory furniture for Building 3020, located at 821 Williams Street, Fort Le, VA 23801.
