NOTES FOR PRICE BREAKOUT SCHEDULE

1. The company name shall be indicated on the face of the Price Breakout Schedule to preclude being misplaced.

2. Proposers must insert a price on each numbered items of the Price Breakout Schedule. Failure to do so may disqualify the proposal.

3. Description of Proposal Items - The general outline of the principal features of each item as listed below does not in any way limit the responsibility of the proposer for making a thorough investigation of the drawings and the specifications to determine the scope of work including each item of the proposal form.

4. It is the responsibility and duty of the contractor to coordinate and pay the privatized utility provider, Alabama Power Company (APCO), for their services and the installation of materials.
